#### **Diamond Sawblades and Parts Thereof From the People's Republic of China: Extension of Time Limits for the Preliminary Results of the New Shipper Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* December 2, 2010.

**FOR FURTHER INFORMATION CONTACT:** Alan Ray, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-5403.

## Background

The antidumping duty order on diamond sawblades from the People's Republic of China ("PRC") was published in the **Federal Register** on November 4, 2009. *See Diamond Sawblades and Parts Thereof From the People's Republic of China and the Republic of Korea: Antidumping Duty Orders*, 74 FR 57145 (November 4, 2009) ("Antidumping Duty Order"). On April 30, 2010, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended ("Act"), the Department of Commerce ("Department") received a new shipper review request from Pujiang Talent Diamond Tools Co., Ltd. ("PTDT"). PTDT's request was properly made on April 30, 2010, as May is the semi-annual anniversary of the *Antidumping Duty Order*. On June 28, 2010, the Department issued a notice of initiation of a new shipper review of diamond sawblades and parts thereof from the PRC covering the period of January 24, 2009, through April 31, 2010. *See Diamond Sawblades and Parts Thereof from the People's Republic of China: Initiation of Antidumping Duty New Shipper Review*, 75 FR 36632 (June 28, 2010). The preliminary results are currently due no later than December 14, 2010.

## Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Act provides that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated. *See also* 19 CFR 351.214(i)(1). The Act further provides that the Department may extend that 180-day period to 300 days if it determines that the case is extraordinarily complicated. *See also* 19 CFR 351.214(i)(2).

## Extension of Time Limit of Preliminary Results

The Department determines that this new shipper review involves extraordinarily complicated methodological issues such as the examination of importer information and the evaluation of the *bona fide* nature of PTDT's sales. In addition, the Department needs additional time to evaluate the affiliations amongst PTDT and other entities. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for these preliminary results by 120 days, until no later than April 13, 2011. The final results continue to be due 90 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: November 26, 2010.

**SUMMARY:** On August 16, 2010, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on polyethylene terephthalate film, sheet, and strip (PET film) from Brazil for the period November 6, 2008, through October 31, 2009. We gave interested parties an opportunity to comment on the preliminary results and received no comments. We have made no changes to Terphane, Inc.'s (Terphane's) margin for the final results of this review. The final weighted-average margin is listed below in the "Final Results of Review" section of this notice.

**DATES:** *Effective Date:* December 2, 2010.

**FOR FURTHER INFORMATION CONTACT:** Deborah Scott or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone* (202) 482-2657 or (202) 482-0649, respectively.

## SUPPLEMENTARY INFORMATION:

### Background

On August 16, 2010, the Department published the preliminary results of the administrative review of the antidumping duty order covering PET film from Brazil and invited interested parties to comment. *See Polyethylene Terephthalate Film, Sheet, and Strip From Brazil: Preliminary Results of Antidumping Duty Administrative Review*, 75 FR 49900 (August 16, 2010) (*Preliminary Results*). This administrative review covers one respondent, Terphane. The petitioners

in this proceeding are DuPont Teijin Films, Mitsubishi Polyester Film, Inc., SKC, Inc., and Toray Plastics (America), Inc.

In the *Preliminary Results*, the Department stated that interested parties may submit case briefs within 30 days of publication of the *Preliminary Results* and rebuttal briefs within five days after the due date for filing case briefs. See *Preliminary Results* at 49902. No interested parties submitted a case or rebuttal brief; therefore, there are no comments to address regarding the Department's determination in the *Preliminary Results*. We have not made any changes for the final results.

#### Period of Review

The period of review (POR) is November 6, 2008, through October 31, 2009.

#### Scope of the Order

The products covered by this order are all gauges of raw, pre-treated, or primed PET film, whether extruded or co-extruded. Excluded are metallized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer more than 0.00001 inches thick. Also excluded is roller transport cleaning film which has at least one of its surfaces modified by application of 0.5 micrometers of SBR latex. Tracing and drafting film is also excluded. PET film is classifiable under subheading 3920.62.00.90 of the Harmonized Tariff Schedule of the United States (HTSUS). While HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of these orders is dispositive.

#### Final Results of Review

The Department has determined that the following antidumping duty margin exists for the period November 6, 2008, through October 31, 2009:

| Producer/Exporter   | Margin (percent) |
|---------------------|------------------|
| Terphane, Inc. .... | 44.36            |

#### Assessment Rates

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. Because we are relying on total adverse facts available to establish the dumping margin for Terphane, we will instruct CBP to apply a dumping margin of 44.36 percent on all entries of PET film from Brazil that were produced and/or

exported by Terphane and entered, or withdrawn from warehouse, for consumption during the POR. The Department intends to issue appropriate assessment instructions for Terphane to CBP 15 days after the date of publication of these final results of review.

#### Cash Deposit Requirements

Furthermore, the following cash deposit requirements will be effective upon publication of these final results for all shipments of PET film from Brazil entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Tariff Act of 1930, as amended (the Act): (1) The cash deposit rate for Terphane will be the rate established in the final results of this review; (2) for other previously reviewed or investigated companies, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review or the LTFV investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) if neither the exporter nor the manufacturer has its own rate, the cash-deposit rate will be 28.72 percent, the all-others rate established in the *Final Determination*. These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an

APO is a violation which is subject to sanction.

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 24, 2010.
