

rights of any individual under the First Amendment to the Constitution of the United States, nor shall the Licensee use the information in any way which would discriminate among individuals on the basis of race, religion, national origin, sex, or age.

Right To Correct and Complete Information

Prior to any final adverse determination, the Licensee shall make available to the individual the contents of any criminal records obtained from the FBI for the purpose of assuring correct and complete information. Written confirmation by the individual of receipt of this notification must be maintained by the Licensee for a period of one (1) year from the date of the notification.

If, after reviewing the record, an individual believes that it is incorrect or incomplete in any respect and wishes to change, correct, or update the alleged deficiency, or to explain any matter in the record, the individual may initiate challenge procedures. These procedures include either direct application by the individual challenging the record to the agency (i.e., law enforcement agency) that contributed the questioned information, or direct challenge as to the accuracy or completeness of any entry on the criminal history record to the Assistant Director, Federal Bureau of Investigation Identification Division, Washington, DC 20537-9700 (as set forth in 28 CFR part 16.30 through 16.34). In the latter case, the FBI forwards the challenge to the agency that submitted the data and requests that agency to verify or correct the challenged entry. Upon receipt of an Official communication directly from the agency that contributed the original information, the FBI Identification Division makes any changes necessary in accordance with the information supplied by that agency. The Licensee must provide at least ten (10) days for an individual to initiate an action challenging the results of an FBI identification and criminal history records check after the record is made available for his/her review. The Licensee may make a final unescorted access to certain radioactive material determination based upon the criminal history record only upon receipt of the FBI's ultimate confirmation or correction of the record. Upon a final adverse determination on unescorted access to certain radioactive material, the Licensee shall provide the individual its documented basis for denial. Unescorted access to certain radioactive material shall not be granted

to an individual during the review process.

Protection of Information

1. Each Licensee who obtains a criminal history record on an individual pursuant to this Order shall establish and maintain a system of files and procedures for protecting the record and the personal information from unauthorized disclosure.

2. The Licensee may not disclose the record or personal information collected and maintained to persons other than the subject individual, his/her representative, or to those who have a need to access the information in performing assigned duties in the process of determining unescorted access to certain radioactive material. No individual authorized to have access to the information may re-disseminate the information to any other individual who does not have a need-to-know.

3. The personal information obtained on an individual from a criminal history record check may be transferred to another Licensee if the Licensee holding the criminal history record check receives the individual's written request to re-disseminate the information contained in his/her file, and the gaining Licensee verifies information such as the individual's name, date of birth, social security number, sex, and other applicable physical characteristics for identification purposes.

4. The Licensee shall make criminal history records, obtained under this section, available for examination by an authorized representative of the NRC to determine compliance with the regulations and laws.

5. The Licensee shall retain all fingerprint and criminal history records from the FBI, or a copy if the individual's file has been transferred, for three (3) years after termination of employment or determination of unescorted access to certain radioactive material (whether unescorted access was approved or denied). After the required three (3) year period, these documents shall be destroyed by a method that will prevent reconstruction of the information in whole or in part.

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Generalized System of Preferences (GSP): Notice Regarding Extension of Deadline To Receive Comments on the Child Labor Review in the Production of Certain GSP-Eligible Hand-Loomed Carpets

AGENCY: Office of the United States Trade Representative.

ACTION: Notice.

SUMMARY: On January 18, 2008, a public notice was published in the **Federal Register** on pages 3495-3496 requesting public comments by February 15, 2008, on whether each beneficiary country exporting certain hand-loomed carpets is taking steps to eliminate the worst forms of child labor, including the use of bonded child labor, in the production of certain carpets imported under the U.S. GSP program. The GSP Subcommittee of the Trade Policy Staff Committee has decided to extend the deadline to March 14, 2008, for receipt of public comments for this review.

FOR FURTHER INFORMATION CONTACT: The GSP Subcommittee of the TPSC, Office of the United States Trade Representative (USTR), 1724 F Street, NW., Room F-220, Washington, DC 20508. The telephone number is (202) 395-6971.

SUPPLEMENTARY INFORMATION: The 2004 Miscellaneous Trade and Technical Corrections Act (HR 1047) (the "2004 Act"), as approved by Congress, authorized the President to designate seven tariff lines relating to carpets (5702.51.20 (now 5702.50.20), 5702.91.30, 5702.92.00 (now 5702.92.10), 5702.99.10 (now 5702.99.05), 5703.10.00 (now 5703.10.20), 5703.20.10, and 5703.30.00 (now 5703.30.20)) as eligible for duty-free treatment under the GSP program. These tariff lines cover certain hand-loomed carpets and other textile floor coverings made of wool, cotton, fine animal hair, or man-made textile materials. Pursuant to the authorization in the 2004 Act, the President designated these seven tariff lines as eligible for duty-free treatment under the GSP program. The GSP Subcommittee of the Trade Policy Staff Committee (TPSC) is conducting a triennial review of whether each beneficiary country is taking steps to eliminate the worst forms of child labor, including the use of bonded child labor, in the production of such carpets imported under the U.S. GSP program. If sufficient steps are not underway, the TPSC will recommend to the President changes in GSP coverage that would

eliminate from duty-free treatment under the GSP program those carpets found to be made with the worst forms of child labor.

For further information, please refer to the USTR FR Doc. E8-905, page 3495-3496, **Federal Register** Notice, dated January 18, 2008, Vol. 73 FR 3485: Notice Regarding the Initiation of Child Labor Review in the Production of Certain GSP-Eligible Hand-Loomed or Hand-Hooked Carpets., No. 13/Friday, January 18, 2008.

Opportunities for Public Comment and Inspection of Comments: The GSP Subcommittee of the TPSC invites comments for this review. Submissions should comply with 15 CFR Part 2007, except as modified below. All submissions should identify the subject article(s) in terms of the country and the eight-digit Harmonized Tariff Schedule of the United States subheading number. The deadline for submission of comments is extended until March 14, 2008.

Requirements for Submissions: In order to facilitate prompt processing of submissions, USTR requires electronic e-mail submissions in response to this notice. Hand-delivered submissions will not be accepted. These submissions should be single-copy transmissions in English, and including attachments, with the total submission not to exceed 25 single-spaced standard letter-size pages in 12-point type and three megabytes as sent as a digital file attached to an e-mail transmission. E-mail submissions should use the following subject line: "Child Labor Review in the Production of Certain GSP-Eligible Hand-loomed or Hand-hooked Carpet Lines" followed by the country and the eight-digit HTSUS subheading number. Documents must be submitted in English in one of the following formats: WordPerfect (.WPD), Adobe (.PDF), MSWord (.DOC), or text (.TXT) files. Documents cannot be submitted as electronic image files or contain embedded images, e.g., ".JPG", ".TIF", ".BMP", or ".GIF". Supporting documentation submitted as spreadsheets are acceptable as Excel files, formatted for printing on 8½ x 11 inch paper. To the extent possible, any data attachments to the submission should be included in the same file as the submission itself, and not as separate files.

If the submission contains business confidential information, a non-confidential version of the submission must also be submitted that indicates where confidential information was redacted by inserting asterisks where material was deleted. In addition, the confidential submission must be clearly

marked "BUSINESS CONFIDENTIAL" at the top and bottom of each page of the document. The non-confidential version must also be clearly marked at the top and bottom of each page (either "PUBLIC VERSION" or "NON-CONFIDENTIAL"). Documents that are submitted without any marking might not be accepted or will be considered public documents.

For any document containing business confidential information submitted as an electronic attached file to an e-mail transmission, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P-" or "BC-" should be followed by the name of the party (government, company, union, association, etc.) which is making the submission.

E-mail submissions should not include separate cover letters or messages in the message area of the e-mail; information that might appear in any cover letter should be included directly in the attached file containing the submission itself, including the sender's name, organization name, address, telephone number and e-mail address. The e-mail address for these submissions is FR0081@USTR.EOP.GOV. **Note:** The letters "FR" in the e-mail address are followed by the number, zero, not a letter. Documents not submitted in accordance with these instructions might not be considered in this review. If unable to provide submissions by e-mail, please contact the GSP Subcommittee to arrange for an alternative method of transmission.

Public versions of all documents relating to this review will be available for review approximately two weeks after the relevant due date by appointment in the USTR public reading room, 1724 F Street, NW., Washington, DC.
