

Relevant outcome means the student outcome(s) or other outcome(s) the key project component is designed to improve, consistent with the specific goals of the program.”

5. On page 91711, in the first column, under *Applicable Regulations*, remove “(e) The Supplemental Priorities.”

6. On page 91711, in the first column, under “Estimated Available Funds:”, “The Administration has requested \$398,000,000 for GEAR UP for FY 2025, of which we intend to use an estimated \$35,000,000 for the Partnership competition. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program” to

“\$36,500,000. Note: The Department is not bound by any estimates in this Notice.”

7. On page 91712, in the second column, “1. Application Submission Instructions” is corrected to read as follows:

“Applicants are required to follow the Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the **Federal Register** on December 23, 2024 (89 FR 104528), and available at <https://www.federalregister.gov/documents/2024/12/23/2024-30488/common-instructions-for-applicants-to-department-of-education-discretionary-grant-programs>.”

8. On page 91712, in the third column, under “*Content And Form of Application Submission*,” remove “and the competitive preference priorities”. In the same column, remove “We recommend that any application addressing the competitive preference priorities include no more than three additional pages for each priority addressed.”

9. On page 91715, in the first column, “*Continuation Awards*” is corrected to read as follows:

“6. *Continuation Awards*: In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; if the Secretary has established performance measurement requirements, whether the grantee has made substantial progress in achieving the performance targets in the grantee’s approved application, or whether the continuation of the project is in the best interest of the Federal Government.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).”

FOR FURTHER INFORMATION CONTACT:

Kristen Muthig, Telephone: (202) 897–9285, Email: kmuthig@eac.gov.

SUPPLEMENTARY INFORMATION:

Purpose: In accordance with the Government in the Sunshine Act (Sunshine Act), Public Law 94–409, as amended (5 U.S.C. 552b), the U.S. Election Assistance Commission (EAC) will hold a virtual meeting of the EAC Technical Guidelines Development Committee (TGDC) to conduct regular business.

Agenda: The EAC and TGDC members will discuss the draft of the Voluntary Voting System Guidelines (VVSG) 2.1 and the Executive Order to Protect the Integrity of American Elections. There may be votes conducted at this meeting. The full agenda will be posted in advance on the EAC website at eac.gov/events.

Background: Section 221 of the Help America Vote Act (HAVA) of 2002 (52 U.S.C. 20971(b)) requires that the EAC to adopt voluntary voting system guidelines, and to provide for the testing, certification, decertification, and recertification of voting system hardware and software.

The TGDC was established in accordance with the requirements of Section 221 of the Help America Vote Act of 2002 (Pub. L. 107–252, codified at 52 U.S.C. 20961), to act in the public interest to assist the Executive Director of the EAC in the development of Voluntary Voting System Guidelines.

The TGDC is composed of 14 members who are appointed jointly by the EAC and the National Institute of Standards and Technology (NIST). The committee, which the director of NIST chairs, was established to assist the EAC in developing VVSG in accordance with the Help America Vote Act of 2002.

Status: This meeting will be open to the public.

Camden Kelliher,

General Counsel, U.S. Election Assistance Commission.

DEPARTMENT OF ENERGY
Federal Energy Regulatory Commission

[Docket No. CP25–495–000]

**National Fuel Gas Supply Corporation;
Notice of Application and Establishing
Intervention Deadline**

Take notice that on May 20, 2025, National Fuel Gas Supply Corporation (National Fuel), 6363 Main Street, Williamsville, New York 14221, filed an application under section 7(c) of the Natural Gas Act (NGA) and Part 157 of

the Commission's regulations requesting authorization for its Beech Hill Boundary Modification (Project). National Fuel proposes to modify the reservoir and buffer boundaries of its Beech Hill Storage Complex, located in Allegany County, New York, and seeks authorization to use Well 7451 as a storage well. The project is designed to prevent further migration of storage gas and to allow National Fuel to fully access injected volumes, all as more fully set forth in the application which is on file with the Commission and open for public inspection.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://www.ferc.gov>). From the Commission's Home Page on the internet, this information is available on eLibrary. The full text of this document is available on eLibrary in PDF and Microsoft Word format for viewing, printing, and/or downloading. To access this document in eLibrary, type the docket number excluding the last three digits of this document in the docket number field.

User assistance is available for eLibrary and the Commission's website during normal business hours from FERC Online Support at (202) 502–6652 (toll free at 1–866–208–3676) or email at ferconlinesupport@ferc.gov, or the Public Reference Room at (202) 502–8371, TTY (202) 502–8659. Email the Public Reference Room at public.referenceroom@ferc.gov.

Any questions regarding the proposed project should be directed to Alice A. Curtiss, Chief Rates Counsel, National Fuel Gas Supply Corporation, 6363 Main Street, Williamsville, New York 14221, by phone at (716) 857–7075, or by email at curtissa@natfuel.com.

Pursuant to section 157.9 of the Commission's Rules of Practice and Procedure,¹ within 90 days of this Notice the Commission staff will either: complete its environmental review and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an EA in the Commission's public record for this

proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

Public Participation

There are three ways to become involved in the Commission's review of this project: you can file comments on the project, you can protest the filing, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is 5:00 p.m. Eastern Time on June 26, 2025. How to file protests, motions to intervene, and comments is explained below.

The Commission's Office of Public Participation (OPP) supports meaningful public engagement and participation in Commission proceedings. OPP can help members of the public, including landowners, community organizations, Tribal members and others, access publicly available information and navigate Commission processes. For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, the public is encouraged to contact OPP at (202) 502–6595 or OPP@ferc.gov.

Comments

Any person wishing to comment on the project may do so. Comments may include statements of support or objections, to the project as a whole or specific aspects of the project. The more specific your comments, the more useful they will be.

Protests

Pursuant to sections 157.10(a)(4)² and 385.211³ of the Commission's regulations under the NGA, any person⁴ may file a protest to the application. Protests must comply with the requirements specified in section 385.2001⁵ of the Commission's regulations. A protest may also serve as a motion to intervene so long as the protestor states it also seeks to be an intervenor.

To ensure that your comments or protests are timely and properly recorded, please submit your comments on or before June 26, 2025.
