Trunkline LNG proposes to acquire an undivided 50% ownership interest in an existing gas turbine/generator, Unit 2204—JA, and appurtenant facilities from PLCG, formerly CMS Panhandle Lake Charles Generation, LLC, formerly PanEnergy Lake Charles Generation, Inc. Trunkline LNG will continue to use Unit 2204—JA with its 16 megawatts of generating capability as a back-up power source for ship unloading and emergency back-up power needs. The acquisition of the facilities will be in place and will not result in any ground disturbance.

Any questions regarding the application are to be directed to William W. Grygar, Vice President of Rates and Regulatory Affairs, 5444 Westheimer Road, Houston, Texas 77056-5306; phone number (713) 989-7000.

Any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the below listed comment date, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant

and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

Motions to intervene, protests and comments may be filed electronically via the Internet in lieu of paper, see, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

Comment Date: November 1, 2005.
