Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The AT Act authorizes support for activities that increase the availability of, funding for, access to, provision of, and training about assistive technology (AT) devices and AT services. The AT Act authorizes the Secretary to provide grants to States to support comprehensive statewide AT programs (Statewide AT Programs) that improve access to and the acquisition of AT devices and services for individuals with disabilities and their families. The AT Act also authorizes the Secretary to provide grants to protection and advocacy systems in order to enable these systems to assist in the acquisition, use, or maintenance of AT devices and services (PAAT). Under section 6 of the AT Act, the Secretary is authorized to provide grants to support national activities to improve the administration of the AT Act, such as the provision of training and technical assistance to entities funded under the AT Act to improve the effectiveness of their programs and to entities not funded under the AT Act to improve awareness of and access to AT. Other national activities include data collection and assistance and a National Public Internet Site. In addition, a provision in section 4 of the AT Act authorizes grants to States for Alternative Financing Programs (AFPs) in accordance with title III of the AT Act, as in effect before the enactment of the amendments in 2004, to pay for the Federal share of the cost of establishing, or expanding, and administering one or more alternative financing mechanisms to allow individuals with disabilities and their families to purchase AT devices and services. Title III, section 306, of the AT Act, as in effect prior to the enactment of the amendments of 2004, requires that information and technical assistance be provided to AFPs. Under section 308(b) of the AT Act, as in effect prior to the enactment of the amendments of 2004, the Secretary reserves funds from any appropriation for title III for this purpose. In years when those funds are appropriated, additional funds for technical assistance to AFPs will be available.

Priority: We are establishing this priority for the FY 2005 grant competition only, in accordance with section 437(d)(1) of the General Education Provisions Act (GEPA).

Absolute Priority: For FY 2005 this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

National Assistive Technology Training and Technical Assistance Program (National AT TA Program)

The project must—

(b) Technical assistance activities undertaken under paragraph (1) of this priority;

(3) Provide State-specific, regional, and national training and technical assistance concerning AT to entities funded under the AT Act and to public and private entities not funded under the AT Act, including—

(g) Representatives of businesses; and

(h) Vendors and public and private researchers and developers; and

(8) Include plans for evaluating the effectiveness of the technical assistance and training program in accordance with the performance measures in section VI. 4. *Performance Measures* of this notice.

Waiver of Proposed Rulemaking:

Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed priorities. Ordinarily, this practice would have applied to the absolute priority for the National AT TA Program. Section 437(d)(1) of GEPA (20 U.S.C.

1232(d)(1)), however, allows the Secretary to exempt from rulemaking requirements regulations governing the first grant competition under a new or substantially revised program authority. This is the first grant competition for this program under section 6 of the AT Act and therefore qualifies for this exemption. In order to ensure timely grant awards, the Secretary has decided to forego public comment on the proposed absolute priority under section 437(d)(1). This absolute priority will apply to the FY 2005 grant competition only.

Program Authority: 29 U.S.C. 3001 *et seq.*
