

requested that the Commission waive the 30-day operative delay so that the proposed rule change will become immediately effective upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The Commission believes that the proposed rule change, as amended, will allow the rules of the Exchange to accurately reflect the fact that Archipelago Holdings, Inc. has succeeded Archipelago Holdings, L.L.C. as the sole parent of the current equities trading facility of PCX and PCXE, the Archipelago Exchange, L.L.C. In addition, the proposed rule change will make no substantive changes to the Exchange's rule. For these reasons, the Commission designates the proposed rule change as effective and operative immediately.
