## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–95129; File No. SR–NYSEArca–2022–35]

### Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the Certificate of Incorporation and Bylaws of Its Ultimate Parent Company, Intercontinental Exchange, Inc.

June 21, 2022.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (“Act”)<sup>2</sup> and Rule 19b–4 thereunder,<sup>3</sup> notice is hereby given that, on June 15, 2022, NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the certificate of incorporation and bylaws of its ultimate parent company, Intercontinental Exchange, Inc. (“ICE”), to (a) eliminate the supermajority voting provisions for amending the certificate of incorporation and bylaws, (b) provide that special meetings of ICE's stockholders may be called at the request of holders of in the aggregate at least 20% of the outstanding shares of ICE's common stock, and (c) make certain non-substantive and conforming changes. The proposed rule change is available on the Exchange's website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below,

of the most significant parts of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to amend ICE's Fifth Amended and Restated Certificate of Incorporation (the “ICE Certificate”) and Eighth Amended and Restated Bylaws (the “ICE Bylaws”) to (a) eliminate the supermajority voting provisions for amending the certificate of incorporation and bylaws, (b) provide that special meetings of ICE's stockholders may be called at the request of holders of in the aggregate at least 20% of the outstanding shares of ICE's common stock, and (c) make certain non-substantive and conforming changes.

The Exchange proposes that the amendments would be effective upon the amended ICE Certificate being filed with the Secretary of State of the State of Delaware.

##### Eliminating Supermajority Voting Provisions

Certain of the amendments to the ICE Certificate would eliminate the supermajority voting provisions for amending the ICE Certificate and ICE Bylaws. The changes are proposed in response to the receipt of a stockholder proposal on October 24, 2020 that was approved at ICE's Annual Stockholder Meeting on May 14, 2021. The changes subsequently were approved by the ICE Board of Directors on March 4, 2022, and by the ICE stockholders on May 13, 2022, in each case subject to filing with the Securities and Exchange Commission (“Commission”).

Under the current ICE Certificate, no adoption, amendment or repeal of any Bylaw by action of stockholders may be effective unless approved by the affirmative vote of holders of not less than 66⅔% of the outstanding shares of common stock entitled to vote thereon. The proposed changes would amend the ICE Certificate to eliminate this requirement. Instead, the affirmative vote of the holders of a majority of the outstanding shares of common stock would be sufficient to adopt, amend or repeal any bylaw by action of stockholders. Article XI, Section 11.3 of the ICE Bylaws would continue to require that, so long as ICE directly or indirectly controls a national securities exchange, before any amendment or repeal of any provision of the ICE Bylaws may be effectuated, it shall be either (i) filed with or filed with and
