SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the information collection requirements contained in the Prohibited Transaction Class Exemption for Certain Transactions Between Investment Companies and Employee Benefit Plans (PTE 1977-4). Under circumstances the Employee Retirement Income Security Act (ERISA) would otherwise prohibit, PTE 1977-4 permits an employee benefit plan to purchase and sell shares of an open-end investment company (mutual fund) when a fiduciary with respect to the plan is also the investment advisor for the mutual fund. PTE 1977-4 incorporates three basic disclosure requirements. The first requirement is to disclose any redemption fees in the current prospectus of the open-end mutual fund. The second requirement is that, at the time of the purchase or sale of such mutual fund shares, an independent fiduciary receive a copy of the current prospectus issued by the open-end mutual fund and full written disclosure of the investment advisory fees charged to or paid by the plan and the open-end mutual fund to the investment advisor. The third requirement is that the independent fiduciary (1) be notified of any changes in the fees and (2) give written approval for the plan to purchase or sell affected mutual fund shares or the plan to continue possession of any such mutual fund shares acquired before the fee changes.

ERISA section 408(a) and Internal Revenue Code section 4975(c)(2) authorize this information collection. See 29 U.S.C. 1108(a); 26 U.S.C. 4975(c)(2).

A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210-0049.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on August 31, 2016. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on May 26, 2016 (81 FR 33550).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1210-0049. The OMB is particularly interested in comments that:
