AGENCY: Bureau of Economic Analysis, Commerce.

ACTION: Notice of reporting requirements.

SUMMARY: By this Notice, the Bureau of Economic Analysis (BEA), Department of Commerce, is informing the public that it is conducting the mandatory survey titled Quarterly Survey of Foreign Airline Operators' Revenues and Expenses in the United States (BE-9). The data collected on the BE-9 survey are needed to measure U.S. trade in transport services and to analyze the

impact of U.S. trade on the U.S. and foreign economies. This survey is authorized by the International Investment and Trade in Services Survey Act.

FOR FURTHER INFORMATION CONTACT:

Christopher Stein, Chief, Services Surveys Branch, Balance of Payments Division, via phone at (301) 278-9189 or via email at Christopher.Stein@bea.gov.

SUPPLEMENTARY INFORMATION: Through this Notice, BEA publishes the reporting requirements for the BE-9 survey form. As noted below, all entities required to respond to this mandatory survey will be contacted by BEA. Entities must submit the completed survey forms within 30 days after the end of each quarter. This Notice is being issued in conformance with the rule BEA issued on April 24, 2012 (77 FR 24373), establishing guidelines for collecting data on international trade in services and direct investment through notices, rather than through rulemaking. Additional information about BEA's collection of data on international trade in services and direct investment can be found in the 2012 rule, the International Investment and Trade in Services Survey Act (22 U.S.C. 3101 *et seq.*), and 15 CFR part 801. Survey data on international trade in services and direct investment that are not collected pursuant to the 2012 rule are described separately in 15 CFR part 801. The BE-9 survey form and instructions are available at www.bea.gov/ssb.

Reporting

Notice of specific reporting requirements, including who is to report, the information to be reported, the manner of reporting, and the time and place of filing reports, will be mailed to those required to complete this survey.

Who Must Report: (a) Reports are required from U.S. offices, agents, or other representatives of foreign airline operators that transport passengers or freight and express to or from the United States, whose total covered revenues or total covered expenses were \$5 million or more during the previous year, or are expected to meet or exceed that amount during the current year. See BE-9 survey form for more details.

(b) Entities required to report will be contacted individually by BEA. Entities not contacted by BEA have no reporting responsibilities.

What To Report: The survey collects information on foreign airline operators' revenues and expenses in the United States, and count of passengers transported to, or from, the United States.

How To Report: Reports can be filed using BEA's electronic reporting system at www.bea.gov/efile. Copies of the survey forms and instructions, which contain complete information on reporting procedures and definitions, can be downloaded from www.bea.gov/ssb and submitted through mail or fax. Form BE-9 inquiries can be made by phone to BEA at (301) 278-9303 or by sending an email to be-9help@bea.gov.

When To Report: Reports are due to BEA 30 days after the end of each quarter.

Foreign-Trade Zones Board

[B-02-2022]

Foreign-Trade Zone 26—Atlanta, Georgia Application for Production Authority OFS Fitel, LLC (Optical Fiber Products) Carrollton, Georgia

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, requesting production authority on behalf of OFS Fitel, LLC (OFS Fitel), located in

Carrollton, Georgia. The application conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.23) was docketed on January 20, 2022. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the FTZ Board's website—accessible via www.trade.gov/ftz.

The OFS Fitel facility (518 employees, 44.49 acres) is located within Site 40 of FTZ 26. The facility is used for the production of optical fiber products. In 2020, OFS Fitel requested production authority in a notification proceeding (15 CFR 400.22 and 400.37). After an initial review, the requested production authority was approved subject to restrictions that included a requirement that optical fiber and optical bundles be admitted to the zone in privileged foreign (PF) status (19 CFR 146.41), precluding inverted tariff benefits on those inputs (see B–59–2020, 85 FR 61719–61720, September 30, 2020). The pending application proposes to remove that restriction—which would allow OFS Fitel to choose the duty rates during customs entry procedures that apply to optical fiber cable (duty-free) and optical fibers/bundles/ribbon (duty rate, 6.7%) for the following foreign-status materials/components (representing an average 27% of the value of the finished product): Drawn optical fiber and drawn optical fiber bundles (duty rate, 6.7%). The request indicates that those materials/components are subject to special duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status.

In accordance with the FTZ Board's regulations, Diane Finver of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is March 28, 2022. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to April 12, 2022.

A copy of the application will be available for public inspection in the "Online FTZ Information Section" section of the FTZ Board's website, which is accessible via www.trade.gov/ftz.

For further information, contact Diane Finver at Diane.Finver@trade.gov.

Dated: January 21, 2022.

Andrew McGilvray,

Executive Secretary.
