

information is estimated to be \$27,600 (\$25,000 + \$2,600).

**2. Duties of Plan Sponsor of an Insolvent Plan (29 CFR Part 4245) (OMB Control Number 1212-0033) (Expires June 30, 2025)**

Section 4245(e) of ERISA requires two types of notice: a “notice of insolvency,” stating a plan sponsor’s determination that the plan is or may become insolvent, and a “notice of insolvency benefit level,” stating the level of benefits that will be paid during an insolvency year. The recipients of these notices are PBGC, contributing employers, employee organizations representing participants, and participants and beneficiaries.

The regulation establishes the procedure for complying with these notice requirements. It allows a plan sponsor to combine the notice of insolvency and notice of insolvency benefit level. In addition, the regulation only requires a plan sponsor to provide an updated notice to participants and beneficiaries if there is a change in the amount of benefits paid to participants and beneficiaries. PBGC uses the information submitted to estimate cash needs for financial assistance to troubled plans. The collective bargaining parties use the information to decide whether additional plan contributions will be made to avoid the insolvency and consequent benefit suspensions. Plan participants and beneficiaries use the information in personal financial decisions.

PBGC estimates that at most one plan sponsor of an ongoing plan gives notices each year under section 4245. The estimated annual burden of the collection of information is 16 hours and \$10,000.

**3. Duties of Plan Sponsor Following Mass Withdrawal (29 CFR Part 4281) (OMB Control Number 1212-0032) (Expires June 30, 2025)**

Section 4281 of ERISA provides rules for plans that have terminated by mass withdrawal. Under section 4281, if nonforfeitable benefits exceed plan assets, the plan sponsor must amend the plan to reduce benefits. If the plan nevertheless becomes insolvent, the plan sponsor must suspend certain benefits that cannot be paid. If available resources are inadequate to pay guaranteed benefits, the plan sponsor must request financial assistance from PBGC.

The regulation requires a plan sponsor to give notices of benefit reduction, notices of insolvency, and notices of insolvency benefit level to PBGC and to participants and

beneficiaries and, if necessary, to apply to PBGC for financial assistance. A plan sponsor can combine the notice of insolvency and the notice of insolvency benefit level.

PBGC uses the information it receives to make determinations required by ERISA, to identify and estimate the cash needed for financial assistance to terminated plans, and to verify the appropriateness of financial assistance payments. Plan participants and beneficiaries use the information to make personal financial decisions.

PBGC estimates that plan sponsors of terminated plans each year will file with PBGC 1 notice of benefit reduction, 2 notices of insolvency, 2 combined notices of insolvency and insolvency benefit level, and 3 notices of insolvency benefit level. PBGC also estimates that plan sponsors each year will file initial requests for financial assistance for 5 plans and will submit 369 non-initial applications for financial assistance. The estimated annual burden of the collection of information is 113 hours and \$268,000.
