SMALL BUSINESS ADMINISTRATION

Program Announcement for the Paul D. Coverdell Drug-Free Workplace Program

AGENCY: Small Business Administration.

ACTION: Program announcement.

SUMMARY: The U.S. Small Business Administration (SBA) plans to issue program announcement #SBDC-01-0002 to invite applications from eligible intermediaries in accordance with the Drug-Free Workplace Act of 1998 (Act). The authorizing legislation is the Small Business Act, section 21(c)(3)(T) and section 27, 15 U.S.C. 648(c)(3)(T) and 654, (Title IX of Pub. L. 105-277).

The Act permits the SBA to make grants to eligible intermediaries for the purpose of providing financial and technical assistance to small businesses seeking to establish drug-free workplace programs. In establishing these DFWP programs, as contemplated by the Act, eligible intermediaries should provide outreach to the small business community and provide additional voluntary education for parents. Outreach must include educating small businesses on the benefits of a drug-free workplace and encouraging small business employers and employees to participate in drug-free workplace programs. Education for parents must include teaching them how to keep their children drug-free.

All applicants must meet the definition of "Eligible Intermediary" as defined in the Act. Any applicants not meeting the definition will be considered non-responsive and their proposals will not be technically evaluated. The Act defines "Eligible Intermediary" as an organization that:

1. Has at least two years of experience in carrying out drug-free workplace programs;
2. Has a drug-free workplace policy in effect;
3. Is located in a State, the District of Columbia, or a territory of the United States; and
4. Has as its purpose the development of comprehensive drug-free workplace programs, or supplying drug-free workplace services, or providing other forms of assistance and services to small businesses.
