

within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination in a CVD investigation until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On February 4, 2025, the petitioner<sup>2</sup> in these CVD investigations timely requested that Commerce postpone the preliminary determinations.<sup>3</sup> The petitioner requested postponement of the preliminary determinations so that Commerce can fully analyze the forthcoming questionnaire responses of the mandatory respondents and issue supplemental questionnaires, as necessary, prior to the issuance of the preliminary determinations.<sup>4</sup>

In accordance with 19 CFR 351.205(e), the petitioner submitted its request for postponement of the preliminary determinations in these investigations 25 days or more before the scheduled date of the preliminary determinations and stated the reasons for its request. Accordingly, Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determinations in these investigations to no later than 130 days after the date on which it initiated these investigations, *i.e.*, May 12, 2025.<sup>5</sup> Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75

days after the date of the preliminary determinations.
