

(3) *Title*: Principal Place of Business Address and Place of Production Coding on Beer and Malt Beverage Labels, TTB REC 5130/5.

OMB Control Number: 1513–0085.

Type of Review: Extension without change of a currently approved collection.

Description: Under the authority of the Internal Revenue Code (IRC) at 26 U.S.C. 5412 and the Federal Alcohol Administration Act (FAA Act) at 27 U.S.C. 205(e), the TTB regulations require consumer containers of beer to be marked with the name and address of the brewer. Specific to this information collection, in the case of brewers that operate multiple breweries, the TTB regulations in 27 CFR parts 7 and 25 allow brewers to label beer containers with their principal place of business, provided that the brewer also places a code on each beer container indicating its actual place of production. This option allows multi-plant brewers to use an identical label at all of their breweries. The labeling of beer containers with the producer's name and place of production is a usual and customary business practice undertaken by brewers to identify their products to consumers and facilitate recall of adulterated products. In addition, TTB uses the required information to verify tax refund claims submitted by brewers for the loss or destruction of beer.

(4) *Title*: Petitions to Establish or Modify American Viticultural Areas.

OMB Control Number: 1513–0127.

Type of Review: Extension without change of a currently approved collection.

Description: The Federal Alcohol Administration Act (FAA Act) at 27 U.S.C. 205(e) authorizes the Secretary of the Treasury to prescribe regulations for the labeling of wine, distilled spirits, and malt beverages. The FAA Act provides that these regulations should, among other things, prohibit consumer deception and the use of misleading statements on alcohol beverage labels and ensure that such labels provide the consumer with adequate information as to the identity and quality of the

product. Under that authority, TTB regulates the use of appellations of origin on wine labels, including the use of American viticultural area (AVA) names. In response to petitions submitted by interested parties, TTB establishes new AVAs or modifies existing AVAs through the rulemaking process. The TTB regulations in 27 CFR part 9 specify the information to be included in such petitions. TTB uses the provided information to evaluate a petitioner's proposal and, if accepted for rulemaking, TTB drafts a notice of proposed rulemaking requesting public comment regarding the creation of a new AVA or the amendment of the name, boundary, or other terms of an existing AVA.
