Parties Asked To Refresh Record Regarding Reconsideration of Rules Adopted in 1999 Access Reform Docket

AGENCY: Federal Communications Commission.

ACTION: Proposed rule.

SUMMARY: In this document, the Commission invites parties that filed petitions for reconsideration and clarification of rules that the Commission adopted in the 1999 access charge reform docket to update the record. These parties may file any new information or arguments that they believe to be relevant to deciding only those issues that they previously raised in their petitions. Because the petitions for reconsideration and clarification were filed several years ago, the intervening developments and passage of time may have caused the record to become stale. If these parties do not indicate an intent to pursue their previous petitions, the Commission will deem them withdrawn and will dismiss them.

DATES: Comments are due on or before February 20, 2004, and reply comments are due on or before March 8, 2004.

ADDRESSES: Federal Communications Commission, 445 12th Street, SW., Washington, DC 20554. See **SUPPLEMENTARY INFORMATION** for filing instructions.
