[Docket No. OP-1182]

Policy Statement on Payments System Risk

AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Policy statement.

SUMMARY: The Board has revised its Policy Statement on Payments System Risk (PSR policy) to modify the daylight overdraft measurement rules ("posting rules") for interest and redemption payments on securities issued by entities for which the Reserve Banks act as fiscal agents but whose securities are not obligations of, or fully guaranteed as to principal and interest by, the United States—that is, securities issued by government-sponsored enterprises (GSEs) and certain international organizations. In connection with this policy change, the Board supports the formation of an industry working group to promote a smooth transition through collaborative discussion of implementation issues. The working group will be coordinated through the Federal Reserve Banks' Wholesale Product Office in New York; organizations that commented on the planned policy changes, members of those organizations, and fiscal principals to whom the policy applies will be invited to participate.
