

pipelines. A state must submit an annual performance progress report to validate responsibility for regulating intrastate pipelines, and states who receive federal grant funding must also show the state has adequate damage prevention plans and associated records in place.

PHMSA uses this information to evaluate a state's eligibility for federal grants and to enforce regulatory compliance. This information collection request requires a participating state to annually submit a Gas Pipeline Safety Program Performance Progress Reports and/or a Hazardous Liquid Pipeline Safety Program Performance Progress Report to PHMSA's Office of Pipeline Safety showing compliance with the terms of the certification and to maintain records detailing a damage prevention plan. The purpose of the collection is to exercise oversight of the grant program and to ensure that states are compliant with federal pipeline safety regulations.

PHMSA intends to request renewal of this information collection and to make minor, editorial changes to instructions and definitions sections of Gas Pipeline Safety Program Performance Progress Report and a Hazardous Liquid Pipeline Safety Program Performance Progress Report in order to update and clarify how participating state agencies should report the required information.

Affected Public: State and local governments.

Annual Reporting and Recordkeeping Burden:

Total Annual Responses: 117.

Total Annual Burden Hours: 4,473.

Frequency of Collection: Annually.

Comments to Office of Management and Budget are invited on:

(a) The need for the proposed information, including whether the information will have practical utility in helping the agency to achieve its pipeline safety goals;

(b) The accuracy of the agency's estimate of the burden of the proposed collection;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques.

BILLING CODE 4810-AK-P

DEPARTMENT OF VETERANS AFFAIRS

Notice of Request for Information Regarding Veterans Outdoor Recreation

AGENCY: Department of Veterans Affairs.

ACTION: Request for information.

SUMMARY: The Department of Veterans Affairs (VA) is requesting information to assist in implementing the statutory requirements of the Veterans Comprehensive Prevention, Access to Care, and Treatment (COMPACT) Act of 2020. The COMPACT Act mandates VA to establish an interagency task force to be known as the Task Force on Outdoor Recreation for Veterans (Task Force). The Task Force will carry out its duties in consultation with appropriate veterans outdoor recreation groups, and through this request for information, VA seeks comments on various topics from these groups to help inform the work and ultimately the recommendations of the Task Force. This effort aligns with the Administration's America the Beautiful initiative, which seeks to improve opportunities for outdoor recreation and address inequitable access to nature and its benefits. Feedback from the public will also help inform the work ahead.

DATES: Comments must be received on or before March 25, 2022.

ADDRESSES: Comments may be submitted through www.regulations.gov. Comments should indicate that they are submitted in response to "Notice of Request for Information Regarding Veterans Outdoor Recreation."

Comments received will be available at www.regulations.gov for public viewing, inspection or copies.

FOR FURTHER INFORMATION CONTACT:

Maria D. Llorente, M.D., Deputy to the Assistant Under Secretary for Health, Patient Care Services, 12PCS, Veterans Health Administration, 810 Vermont

Avenue NW, Washington, DC 20420; 202–461–7800. This is not a toll-free telephone number.

SUPPLEMENTARY INFORMATION: Section 203 of the COMPACT Act, requires VA to establish the Task Force not later than 18 months after the date on which the national emergency declared by the President, pursuant to the National Emergencies Act (50 U.S.C. 1601 *et seq.*) with respect to the Coronavirus Disease 2019 (COVID–19), expires. The Task Force is responsible for identifying opportunities to formalize coordination between VA, public land agencies and partner organizations regarding the use of public lands and other outdoor spaces for facilitating health and wellness for veterans and their caregivers; it is also charged with identifying barriers that exist to providing veterans with opportunities to augment the delivery of services for health and wellness through the use of outdoor recreation on public lands and other outdoor spaces and developing recommendations to better facilitate the use of public lands and other outdoor spaces for promoting wellness and facilitating the delivery of health care and therapeutic interventions for veterans. The Task Force will be composed of representatives from VA; the Departments of Interior, Health and Human Services, Agriculture, Defense and Homeland Security; the Army Corps of Engineers; at least two representatives from veterans service organizations; as well as others determined appropriate by VA. The Task Force is required to carry out its duties in consultation with appropriate veterans outdoor recreation groups. These would include organizations that provide adaptive sports opportunities; those that support veterans and their families and caregivers through outdoor recreational activities; those that offer outdoor recreation and nature experiences for overall health and well-being; and those that utilize outdoor recreation as an additional strategy to cope with posttraumatic stress disorder and other psychological sequelae of military service. Section 203 defines public lands to mean any recreational lands under the jurisdiction of the Federal Government or a State or local government.

Consultation With Interested Parties

The COMPACT Act requires VA to consult with appropriate veterans outdoor recreation groups to help inform the duties of the Task Force. This request for information will facilitate the consultation required by the COMPACT Act. Responses to this
