NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).

NOTICE: [11–017].

ACTION: Notice of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995 (Pub. L. 104–13, 44 U.S.C. 3506(c)(2)(A)).

DATES: All comments should be submitted within 60 calendar days from the date of this publication.

ADDRESSES: All comments should be addressed to Lori Parker, National Aeronautics and Space Administration, Washington, DC 20546–0001.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Frances Teel, Acting NASA Clearance Officer, NASA Headquarters, 300 E Street SW., JF0000, Washington, DC 20546, (202) 358–1351, Frances.C.Teel@nasa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

LaRC leadership desires to seek out customer feedback across all mission areas they support in order to determine, from an integrated perspective, those areas where NASA may need to take systemic action to improve the technical quality and/or the delivery of our products and services.

II. Method of Collection

We intend to introduce the survey by initially by letter; however, customers will have the option to provide their feedback via e-mail, Web-based survey, or phone conversation in accordance with their preference.

III. Data

Title: LaRC Customer Satisfaction Assessment

OMB Number: 2700–XXXX

Type of review: New Collection

Affected Public: Individuals or households

Estimated Number of Respondents: 30

Estimated Number of Responses per Respondent: 1

Estimated Time per Response: 30 minutes

Estimated Total Annual Burden

Hours: 15 hours

Estimated Annual Cost for Respondents: \$53.00

IV. Request for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA’s estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

Frances Teel,

Acting NASA Clearance Officer.

BILLING CODE 7510–13–P

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice (11–018)]

Notice of Intent To Grant a Partially Exclusive License

AGENCY: National Aeronautics and Space Administration.

ACTION: Notice of intent to grant a partially exclusive license.

SUMMARY: This notice is issued in accordance with 35 U.S.C. 209(c)(1) and

37 CFR 404.7(a)(1)(i). NASA hereby gives notice of its intent to grant a partially exclusive license in the United States to practice the invention described and claimed in United States Patent 7,509,774 (issued March 31, 2009) and NASA Case No. MSC 24201–1, entitled “Apparatus For Integrating A Rigid Structure Into A Flexible Wall Of An Inflatable Structure” to Bigelow Aerospace, having its principal place of business in North Las Vegas, Nevada. The fields of use may be limited to expandable spacecraft, vehicles, modules, and the like for operation in exoatmospheric space, including applications, sales, lease, and other commercial uses or applications thereof for research and development, space tourism, and other commercial endeavors. The patent rights in this invention have been assigned to the United States of America as represented by the Administrator of the National Aeronautics and Space Administration. The prospective partially exclusive license will comply with the terms and conditions of 35 U.S.C. 209 and 37 CFR 404.7.

DATES: The prospective partially exclusive license may be granted unless within fifteen (15) days from the date of this published notice, NASA receives written objections including evidence and argument that establish that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR 404.7.

Competing applications completed and received by NASA within fifteen (15) days of the date of this published notice will also be treated as objections to the grant of the contemplated partially exclusive license.

Objections submitted in response to this notice will not be made available to the public for inspection and, to the extent permitted by law, will not be released under the Freedom of Information Act, 5 U.S.C. 552.

ADDRESSES: Objections relating to the prospective license may be submitted to the Johnson Space Center (JSC) Patent Counsel, JSC Office of Chief Counsel, Mail Code AL, 2101 NASA Parkway, Houston, Texas 77058.

FOR FURTHER INFORMATION CONTACT: Theodore U. Ro, Patent Attorney, JSC Office of Chief Counsel, (281) 244–7148 (phone), (281) 483–6936 (fax), theodore.u.ro@nasa.gov (e-mail address). Information about other NASA inventions available for licensing can be found online at <http://technology.nasa.gov/>
