ACTION: Notice.

SUMMARY: HUD announces the availability on its website and *Grants.gov*, applicant information, submission deadlines, funding criteria, and other requirements for HUD's FY2011 Capacity Building for Sustainable Communities Program NOFA. Specifically, this NOFA announces the availability of approximately \$5.65 million made available under the Department of Defense and Full-Year Continuing Appropriations Act, 2011, Public Law 112-10, enacted April 15, 2011.

Program Purpose: The purpose of the Capacity Building for Sustainable Communities program is twofold. Communities, and EPA Sustainable Community Technical Assistance recipients and Brownfield Area Wide Planning grant recipients (collectively—Sustainable Communities Grantees), to enable them to fulfill their anticipated outcomes. HUD and other Partnership agencies will work regularly with all selected intermediary service providers to maintain a coordinated and leveraged delivery approach that ensures the maximum benefit to local governments, regions, and planning entities and partners engaged in the prescribed activities.

The second purpose of the Program is to build a national coalition and leadership network of the Sustainable Communities grantees. The purpose of the network is to facilitate the exchange of successful strategies, lessons learned, emerging tools and public engagement strategies, and approaches for avoiding or minimizing pitfalls. HUD will work with the selected intermediaries to develop a robust evaluation component for the network.
