### Hydrofluorocarbon Blends From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2020–2021

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) continues to find that Huantai Dongyue International Trade Co., Ltd. (Huantai Dongyue), Shandong Dongyue Chemical Co., Ltd. (Shandong Dongyue), Zhejiang Yonghe Refrigerant Co., Ltd. (Zhejiang Yonghe), and Zhejiang Sanmei Chemical Ind. Co., Ltd. (Sanmei) made no shipments during the period of review (POR), August 1, 2020, through July 31, 2021. Commerce also continues to find that the remaining companies subject to this administrative review (collectively, the non-responsive parties) are part of the China-wide entity.

**DATES:** Applicable December 22, 2022.

**FOR FURTHER INFORMATION CONTACT:** Steven Seifert, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3350.

### SUPPLEMENTARY INFORMATION:

#### Background

On September 2, 2022, Commerce published the *Preliminary Results* of this administrative review in the **Federal Register** and invited comments from interested parties.<sup>1</sup> No interested party submitted comments concerning the *Preliminary Results*. Accordingly, the final results remain unchanged from the *Preliminary Results*. Commerce conducted this review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

<sup>1</sup> See *Hydrofluorocarbon Blends from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2020–2021*, 87 FR 54192 (September 2, 2022) (*Preliminary Results*).

## Scope of the Order <sup>2</sup>

The products subject to the *Order* are HFC blends. HFC blends covered by the scope are R-404A, a zeotropic mixture consisting of 52 percent 1,1,1-Trifluoroethane, 44 percent Pentafluoroethane, and 4 percent 1,1,1,2-Tetrafluoroethane; R-407A, a zeotropic mixture of 20 percent Difluoromethane, 40 percent Pentafluoroethane, and 40 percent 1,1,1,2-Tetrafluoroethane; R-407C, a zeotropic mixture of 23 percent Difluoromethane, 25 percent Pentafluoroethane, and 52 percent 1,1,1,2-Tetrafluoroethane; R-410A, a zeotropic mixture of 50 percent Difluoromethane and 50 percent Pentafluoroethane; and R-507A, an azeotropic mixture of 50 percent Pentafluoroethane and 50 percent 1,1,1-Trifluoroethane also known as R-507. The foregoing percentages are nominal percentages by weight. Actual percentages of single component refrigerants by weight may vary by plus or minus two percent points from the nominal percentage identified above.<sup>3</sup>

Any blend that includes an HFC component other than R-32, R-125, R-143a, or R-134a is excluded from the scope of the *Order*.

Excluded from the *Order* are blends of refrigerant chemicals that include products other than HFCs, such as blends including chlorofluorocarbons (CFCs), hydrochlorofluorocarbons (HCFCs), hydrocarbons (HCs), or hydrofluoroolefins (HFOs).

Also excluded from the *Order* are patented HFC blends, including, but not limited to, ISCEON® blends, including MO99TM (R-438A), MO79 (R-422A), MO59 (R-417A), MO49PlusTM (R-437A) and MO29TM (R-4 22D), Genetron® PerformaxTM LT (R-407F), Choice® R-421A, and Choice® R-421B.

HFC blends covered by the scope of the *Order* are currently classified in the

Harmonized Tariff Schedule of the United States (HTSUS) at subheadings 3824.78.0020 and 3824.78.0050.

Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope is dispositive.<sup>4</sup>

## Final Determination of No Shipments

In the *Preliminary Results*, Commerce determined that Huantai Dongyue, Shandong Dongyue, Zhejiang Yonghe, and Sanmei had no reviewable shipments of the subject merchandise during the POR.<sup>5</sup> We received no comments from interested parties with respect to the *Preliminary Results* and we received no information contradicting them. Therefore, because the record indicates that these companies had no shipments of subject merchandise to the United States during the POR, we continue to find that Huantai Dongyue, Shandong Dongyue, Zhejiang Yonghe, and Sanmei had no reviewable shipments during the POR.

## China Wide Entity

Aside from Sanmei, Huantai Dongyue, Shandong Dongyue, and Zhejiang Yonghe, which we find made no shipments during the POR, Commerce considers all other companies for which a review was requested to be part of the China-wide entity because they did not demonstrate their separate rate eligibility.<sup>6</sup> Accordingly, for these final results, we consider all other non-responsive parties, none of which submitted a separate rate application, to be part of the China-wide entity. See the appendix to this notice for a list of these companies.

Because no party requested a review of the China-wide entity in this review,

the entity is not under review, and the entity's rate is not subject to change (*i.e.*, 216.37 percent).<sup>7</sup>

## Assessment Rates

Consistent with Commerce's practice, any suspended entries entered under Huantai Dongyue, Shandong Dongyue, Zhejiang Yonghe, and Sanmei's case numbers will be liquidated at the China-wide entity rate.<sup>8</sup>

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

## Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) for previously investigated or reviewed Chinese or non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 216.37 percent); and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

## Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that

As a result, the circumventing merchandise is included in the scope of the *Order*. #### Certain Softwood Lumber Products From Canada: Notice of Amended Final Results of Countervailing Duty Administrative Review; 2020

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) is amending its notice of final results for the 2020 administrative review of the countervailing duty (CVD) order on certain softwood lumber products (softwood lumber) from Canada.

**DATES:** Applicable December 22, 2022.

**FOR FURTHER INFORMATION CONTACT:** John Hoffner, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3315.

#### SUPPLEMENTARY INFORMATION:

#### Background

On March 4, 2021, Commerce published its *Initiation Notice* for the administrative review of the CVD order on softwood lumber from Canada covering the period January 1, 2020, through December 31, 2020.<sup>1</sup> In the *Initiation Notice*, Commerce inadvertently omitted the following companies, for which we had received timely requests for an administrative

review: Brink Forest Products Ltd.; Deep Cove Forest Products, Inc.; and Vanderhoof Specialty Wood Products Ltd.<sup>2</sup> Additionally, in the *Final Results* of the CVD administrative review covering the 2020 period of review (POR), Commerce omitted those same companies from Appendix II as being among the firms subject to the review that received the subsidy rate applicable to companies not selected for individual examination.<sup>3</sup>

With the issuance of this amended notice, we confirm that Brink Forest Products Ltd. and Vanderhoof Specialty Wood Products Ltd. are included among the firms subject to the CVD administrative review covering the 2020 period of review and are among the non-selected companies subject to a subsidy rate of 3.83 percent, effective August 9, 2022.<sup>4</sup> While the company Deep Cove Forest Products, Inc. was inadvertently omitted from the *Initiation Notice*, the company did not have entries during the POR according to the U.S. Customs and Border Protection (CBP) entry data on the record.<sup>5</sup> As a result, Deep Cove Forest Products, Inc. will not be subject to the assessment and cash deposit rates covering the 2020 POR.

#### Assessment Rates

Pursuant to section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.212(b)(2), Commerce will determine, and CBP shall assess, CVDs on all appropriate entries of subject merchandise covered by this review. However, currently we have instructed CBP to suspend all entries subject to this review, pursuant to a suspension of liquidation request filed in accordance with 19 CFR 356.8 and 19 U.S.C. 516A(g)(5)(C).<sup>6</sup> We also intend to
