Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget for extension and approval.

Rule 15Ba2-1 under the Securities Exchange Act of 1934 ("Act") provides that an application for registration with the Commission by a bank municipal securities dealer must be filed on Form MSD. The Commission uses the information contained in Form MSD to determine whether bank municipal securities dealers meet the standards for registration set forth in the Act, to develop a central registry where members of the public may obtain information about particular bank municipal securities dealers, and to develop statistical information about bank municipal securities dealers.

The staff estimates that approximately 32 respondents will utilize this application procedure annually, with a total burden of 48 hours, based upon past submissions. The staff estimates that the average number of hours necessary to comply with the requirements of Rule 15Ba2-1 is 1.5 hours.

Rule 17a-3(a)(16) under the Act identifies the records to be made by broker-dealers that operate internal broker-dealer systems. Those records are to be used in monitoring compliance with the Commission's financial responsibility program and antifraud and antimanipulative rules, as well as other rules and regulations of the

Commission and the self-regulatory organizations. It is estimated that approximately 105 active broker-dealer respondents registered with the Commission incur an average burden of 2,835 hours per year to comply with this rule.

Rule 17a-4(b)(10) under the Act describes the record preservation requirements for those records required to be kept pursuant to Rule 17a-3(a)(16), including how such records should be kept and for how long, to be used in monitoring compliance with the Commission's financial responsibility program and antifraud and antimanipulative rules as well as other rules and regulations of the Commission and the self-regulatory organizations. It is estimated that approximately 105 active broker-dealer respondents registered with the Commission incur an average burden of 315 hours per year to comply with this rule.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Direct your written comments to Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW, Washington, DC 20549.
