

Please note that the submission of comments for presentation at the public hearing is separate from the request for written comments. Since it may be necessary to limit the number of persons making presentations, the written request to participate in the public hearing should describe the individual's interest in the hearing and, where appropriate, explain why the individual is a proper representative of a group or class of persons that has such an interest. If all interested parties cannot be accommodated at the hearing, the summaries of the oral presentations will be used to allocate speaking time and to ensure that a full range of comments is heard.

Each person selected to make a presentation will be notified by the Department of Commerce no later than 8:00 p.m. Eastern Daylight Time on Friday, June 16, 2017. The Department will arrange the presentation times for the speakers. Persons selected to be heard are requested to bring 20 copies of their oral presentation and of all exhibits to the hearing site on the day of the hearing. All such material must be of a size consistent with ease of handling, transportation, and filing. While large exhibits may be used during a hearing, copies of such exhibits in reduced size must be provided to the panel. Written submissions by persons not selected to make presentations will be made part of the public record of the proceeding. Any person, whether presenting or not, may submit a written statement through June 29, 2017—seven days after the hearing date. Confidential business information may not be submitted at a public hearing. In the event confidential business information is submitted, it will be handled according to the same procedures applicable to such information provided in the course of an investigation. See 15 CFR 705.6. The hearing will be recorded.

Copies of the requests to participate in the public hearing and the transcript of the hearing will be maintained on the Bureau of Industry and Security's Web page, which can be found at <http://www.bis.doc.gov> (see Freedom of Information Act (FOIA) link at the bottom of the page). If the requesters cannot access the Web site, they may call (202) 482-0795 for assistance. The records related to this assessment are made accessible in accordance with the regulations published in part 4 of title 15 of the Code of Federal Regulations (15 CFR 4.1 *et seq.*).

#### Conduct of the Hearing

The Department reserves the right to select the persons to be heard at the

hearing, to schedule their respective presentations, and to establish the procedures governing the conduct of the hearing. Each speaker will be limited to 10 minutes, and comments must be directly related to the criteria listed in 15 CFR 705.4 of the regulations. Attendees will be seated on a first-come, first-served basis.

A Department official will be designated to preside at the hearing. The presiding officer shall determine all procedural matters during the hearing. Representatives from the Department, and other U.S. Government agencies as appropriate, will make up the hearing panel. This will be a fact-finding proceeding; it will not be a judicial or evidentiary-type hearing. Only members of the hearing panel may ask questions, and there will be no cross-examination of persons presenting statements. However, questions submitted to the presiding officer in writing may, at the discretion of the presiding officer, be posed to the presenter. No formal rules of evidence will apply to the hearing.

Any further procedural rules for the proper conduct of the hearing will be announced by the presiding officer.

#### Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be received by the Department of Commerce no later than Monday, June 12, 2017, at the address indicated in the ADDRESSES section of this notice.

Dated: May 3, 2017.

#### **Background**

In December 2016 and January 2017, the Department received multiple timely requests to conduct an administrative review of the antidumping duty order on welded line pipe from Turkey. Based upon these requests, on February 13, 2017, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), the Department published a notice of initiation of an administrative review with respect to nineteen companies for the period March 20, 2015, through December 31, 2015.<sup>1</sup>

On March 2, 2017, Maverick Tube Corporation (Maverick), Stupp Corporation, a division of Stupp Bros., Inc. (Stupp Corp.) and American Cast Iron Pipe Company (ACIPCO) timely withdrew their requests for a review of all the companies with the exception of two companies, Borusan Istikbal Ticaret and Borusan Mannesmann Boru Sanayi ve Ticaret A.S.<sup>2</sup>

#### **Partial Rescission of Review**

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. All the aforementioned withdrawal requests were timely submitted, and no other interested party requested an administrative review of these particular companies. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review of the countervailing duty order on welded line pipe from Turkey, in part, with respect to the seventeen companies named in the appendix.

### Light-Walled Welded Rectangular Carbon Steel Tubing From Taiwan: Final Results of the Expedited Fourth Sunset Review of the Antidumping Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** As a result of this sunset review, the Department of Commerce (the Department) finds that revocation of the antidumping duty (AD) order on light-walled welded rectangular carbon steel tubing from Taiwan (steel tubing) would likely lead to a continuation or recurrence of dumping. Further, the magnitude of the margin of dumping that are likely to prevail is identified in the "Final Results of Review" section of this notice.

**DATES:** Effective May 9, 2017.

#### SUPPLEMENTARY INFORMATION:

#### Background

On March 27, 1989, the Department published the AD order on steel tubing from Taiwan.<sup>1</sup> On January 3, 2017, the Department published the notice of initiation of the fourth sunset review of the AD order on steel tubing,<sup>2</sup> pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).

On January 10, 2017, the Department received a notice of intent to participate on behalf of Atlas Tube, Bull Moose Tube, and Searing Industries (collectively, the domestic interested parties) within the 15-day period specified in 19 CFR 351.218(d)(1)(i). The domestic interested parties claimed interested party status under section 771(9)(C) of the Act as manufacturers in

the United States of a domestic like product.

On February 2, 2017, the Department received a complete substantive response to the *Initiation* from the domestic interested parties within the 30-day period, specified in 19 CFR 351.218(d)(3)(i).<sup>3</sup> We received no substantive responses from respondent interested parties. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited (120-day) sunset review of the AD order on steel tubing from Taiwan.

#### Scope of the Order

The product covered by the order is light-walled welded carbon steel pipe and tube of rectangular (including square) cross-section having a wall thickness of less than 0.156 inch. This merchandise is classified under item number 7306.61.5000 of the Harmonized Tariff Schedule (HTS). It was formerly classified under item number 7306.60.5000. The HTS item numbers are provided for convenience and customs purposes only. The written product description remains dispositive.

#### Analysis of Comments Received

All issues raised in this sunset review, including the likelihood of continuation or recurrence of dumping and the magnitude of the margin of dumping likely to prevail if the order is revoked, are addressed in the Issues and Decision Memorandum.<sup>4</sup> The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn>.
