

supporting services and infrastructure improvements.

The City of Renton is also proposing to adopt a Planned Action Ordinance pursuant to SEPA. A Planned Action Ordinance, if adopted, would not require future SEPA threshold determinations or EISs for future projects that are consistent with EIS assumptions and mitigation measures.

The proposal is reviewed in terms of three alternatives.

Alternative 1, No Action. RHA would develop affordable housing on two vacant properties, but it would not redevelop the Sunset Terrace public housing property. Very limited public investment would be implemented (*e.g.*, some community services but no NE Sunset Boulevard or drainage improvements), resulting in lesser redevelopment across the Planned Action study area. A Planned Action would not be designated. The No Action Alternative is required to be studied under NEPA and SEPA.

Alternative 2. This alternative represents a moderate level of growth in the Planned Action Study Area based on investment in mixed-income housing and mixed uses in the Potential Sunset Terrace Redevelopment Subarea, targeted infrastructure and public services throughout the Planned Action study area, and adoption of a Planned Action Ordinance.

Alternative 3. This alternative represents the highest level of growth in the Planned Action study area, based on investment in the Potential Sunset Terrace Redevelopment Subarea with a greater number dwellings developed in a mixed-income, mixed-use style, major public investment in study area infrastructure and services, and adoption of a Planned Action Ordinance.

The lead agency has addressed the following areas in the Draft EIS: Aesthetics; air quality, including greenhouse gas emissions; earth; energy; environmental health; environmental justice; historic/cultural resources; housing; land use; noise; parks and recreation; plants and animals; public services, including public education, safety, health, and social services; socioeconomic, including demographic, employment, and displacement; transportation; utilities, including wastewater, stormwater, water supply, telecommunication, natural gas, power, electrical; and water resources, including groundwater and surface water. Mitigation measures are identified in the Draft EIS.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5450-N-02]

Federal Housing Administration (FHA): Notice of FHA PowerSaver Home Energy Retrofit Loan Pilot Program: Extension of Period Soliciting Expressions of Interest

AGENCY: Office of the Assistant Secretary for Housing-Federal Housing Commissioner, HUD.

ACTION: Notice.

SUMMARY: On November 10, 2010, HUD published a notice that announced its proposal to conduct an FHA Home Energy Retrofit Loan Pilot Program (Retrofit Pilot Program or Pilot Program) known as FHA PowerSaver. The Consolidated Appropriations Act, 2010 directs HUD to conduct an Energy Efficient Mortgage Innovation pilot program targeted to the single family housing market, and the Retrofit Pilot Program is designed by HUD to meet this statutory directive and provides funding to support that effort. The November 10, 2010, notice solicited public comment and invited lenders interested in participating in the Pilot Program to submit Expressions of Interest. The deadline for both the submission of public comments and expressions of interest from lenders is December 27, 2010.

This notice extends the date for submission of Expressions of Interest to January 31, 2011. The public comment deadline, however, remains December 27, 2010.

DATES: *Due Date for Expressions of Interest:* January 31, 2011.

ADDRESSES: As provided in the November 10, 2010, notice, lenders interested in participating in this Pilot Program must email their Expressions of Interest to FHAPowerSaver@hud.gov in accordance with Appendix A of the November 10, 2010, notice.

FOR FURTHER INFORMATION CONTACT: Patricia McBarron, Office of Single Family Housing Development, Office of Housing, Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410-8000; telephone number 202-708-2121 (this

is not a toll-free number). Persons with hearing or speech impairments may access this number through TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

SUPPLEMENTARY INFORMATION: HUD published a notice in the **Federal Register** on November 10, 2010 (75 FR 69112) that announced its proposal to conduct an FHA Home Energy Retrofit Loan Pilot Program (Retrofit Pilot Program or Pilot Program) known as FHA PowerSaver. The Consolidated Appropriations Act, 2010 (Pub. L. 111-117, approved December 16, 2009, 123 Stat. 3034) (2010 Appropriations Act), which appropriated Fiscal Year (FY) 2010 funds for HUD, among other agencies, appropriated \$50 million for an Energy Innovation Fund to enable HUD to catalyze innovations in the residential energy efficiency sector that have the promise of replicability and help create a standardized home energy efficient retrofit market. Of the \$50 million appropriated for the Energy Innovation Fund, the 2010 Appropriations Act stated that “\$25,000,000 shall be for the Energy Efficient Mortgage Innovation pilot program directed at the single family housing market.” (*See* Pub. L. 111-117, at 123 Stat. 3089.)

Under the Retrofit Pilot Program, HUD, through FHA-approved lenders, will insure loans for homeowners who are seeking to make energy improvements to their homes. As provided in the November 10, 2010, notice, HUD intends to select a limited number of lenders to participate in the Retrofit Pilot Program. The Pilot Program will be for loans originated during a 2-year period, will be restricted to lenders approved by HUD to participate in the Pilot Program, and will be conducted in geographic areas identified by HUD as optimum locations to conduct the Pilot Program. In making these determinations, HUD will consider the factors and criteria proposed in the November 10, 2010, notice to establish the framework for the Pilot Program, and the public comments received in response to HUD’s solicitation of comment. In addition to seeking comments on the proposed Pilot Program, HUD invited lenders interested in participating in this Pilot Program to notify HUD of such interest as provided in Appendix A to the November 10, 2010, notice.

This notice extends the period in which lenders may submit expressions of interest to January 31, 2010. HUD, however, is not extending the public comment deadline. In order to be in a position to make final determinations

on the framework of the Pilot Program, it is important for the public comment deadline to come to an end so that HUD can commence the review of comments and consideration of issues and suggestions raised.

Dated: December 10, 2010.

David H. Stevens,

Assistant Secretary for Housing-Federal Housing Commissioner.

Proposed Information Collection; OMB Control Number 1018-0115, Application for Training, National Conservation Training Center

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice; request for comments.

SUMMARY: We (U.S. Fish and Wildlife Service) will ask the Office of Management and Budget (OMB) to approve the information collection (IC) described below. As required by the Paperwork Reduction Act of 1995 and as part of our continuing efforts to reduce paperwork and respondent burden, we invite the general public and other Federal agencies to take this opportunity to comment on this IC. This IC is scheduled to expire on December 31, 2011. We may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

DATES: To ensure that we are able to consider your comments on this IC, we must receive them by February 14, 2011.

ADDRESSES: Send your comments on the IC to the Service Information Collection Clearance Officer, Fish and Wildlife Service, MS 222-ARLSQ, 4401 North Fairfax Drive, Arlington, VA 22203 (mail); or infocol@fws.gov (e-mail).

FOR FURTHER INFORMATION CONTACT: To request additional information about this IC, contact Dana Dennison, National Conservation Training Center, at (304) 876-7481 (telephone) or dana_dennison@fws.gov (e-mail).

SUPPLEMENTARY INFORMATION:

I. Abstract

The Fish and Wildlife Service National Conservation Training Center in Shepherdstown, West Virginia, provides natural resource and other

professional training for Service employees, employees of other Federal agencies, and other affiliations, including State agencies, private individuals, not-for-profit organizations, and university personnel. FWS Form 3-2193 (Training Application) is a quick and easy method for prospective non-Department of the Interior students to request training. We encourage applicants to use FWS Form 3-2193 and to submit their requests electronically. However, we do not require applicants to complete both a training form required by their agency and FWS Form 3-2193. NCTC will accept any single training request as long as each submission identifies the name, address, and phone number of the applicant, sponsoring agency, class name, start date, and all required financial payment information.

NCTC uses data from the form to generate class rosters, class transcripts, and statistics, and as a budgeting tool for projecting training requirements. It is also used to track attendance, mandatory requirements, tuition, and invoicing for all NCTC-sponsored courses both on- and off-site.

II. Data

OMB Control Number: 1018-0115.

Title: Application for Training, National Conservation Training Center.

Service Form Number: 3-2193.

Type of Request: Extension of a currently approved collection.

Description of Respondents: Persons who wish to participate in training given at or sponsored by the National Conservation Training Center (NCTC).

Respondent's Obligation: Required to obtain or retain a benefit.

Frequency of Collection: On occasion when applying for training at NCTC.

Estimated Annual Number of Respondents: 500.

Estimated Total Annual Responses: 500.

Estimated Time per Response: 10 minutes.

Estimated Total Annual Burden Hours: 83.

III. Comments

We invite comments concerning this information collection on:

- Whether or not the collection of information is necessary, including whether or not the information will have practical utility;
- The accuracy of our estimate of the burden for this collection of information;
- Ways to enhance the quality, utility, and clarity of the information to be collected; and

- Ways to minimize the burden of the collection of information on respondents.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this IC. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: December 7, 2010.

Endangered Species; Marine Mammals; Receipt of Applications for Permit

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of applications for permit.

SUMMARY: We, the U.S. Fish and Wildlife Service, invite the public to comment on the following applications to conduct certain activities with endangered species, marine mammals, or both. With some exceptions, the Endangered Species Act (ESA) and Marine Mammal Protection Act (MMPA) prohibit activities with listed species unless a Federal permit is issued that allows such activities. Both laws require that we invite public comment before issuing these permits.

DATES: We must receive comments or requests for documents or comments on or before January 18, 2011. We must receive requests for marine mammal permit public hearings, in writing, at the same address by January 18, 2011.
