

on-site leased workers from AccountTemps, Aerotek, Phillips Staffing, Hagemeyer and ATS, Inc., Summerville, South Carolina. The workers are engaged in activities related to remanufactured automotive and hydraulic parts. The notice was published in the **Federal Register** on November 21, 2013 (78 FR 69882).

At the request of the State, the Department reviewed the certification for workers of the subject firm. New information from the company shows that workers leased from Robert Half/AccountTemps were employed on-site at the Summerville, South Carolina location of Caterpillar Reman Powertrain Services, Inc., a subsidiary of Caterpillar, Inc. The Department has determined that these workers were sufficiently under the control of Caterpillar Reman Powertrain Services, Inc., a subsidiary of Caterpillar, Inc. to be considered leased workers.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by a shift in the production of remanufactured automotive and hydraulic parts to a foreign country.

Based on these findings, the Department is amending this certification to include workers leased from Robert Half/AccountTemps working on-site at the Summerville, South Carolina location of the subject firm.

The amended notice applicable to TA-W-83,094 is hereby issued as follows:

All workers from Caterpillar Reman Powertrain Services, Inc., a subsidiary of Caterpillar, Inc., including on-site leased workers from Robert Half/AccountTemps, Aerotek, Phillips Staffing, Hagemeyer and ATS, Inc., Summerville, South Carolina, who became totally or partially separated from employment on or after September 17, 2012, through October 29, 2015, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC, this 14th day of January 2014.

Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and

on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

83,181	Kloeckner Metals	Bensalem, PA.	
83,307	Veeco Instrument Inc.	Plainview, NY.

by at least three individuals of the petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and

therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

TA-W No.	Subject firm	Location	Impact date
83,352	Abt Associates, Inc.	Bethesda, MD.	

The following determinations terminating investigations were issued because the petitioning groups of
