

services or systems. Factors which the appropriate FBIIC member agency will consider in determining whether individual organizations play a significant role in an essential market, service or system include consideration of whether the organization: (1) Is a registered securities or futures exchange, self-regulatory organization, registered securities clearing agency/depository and futures clearinghouse, and their critical service providers and utilities; (2) acts as market utility for effecting payments or clearance and settlement of transactions; (3) processes a large aggregate value of daily payments; (4) provides critical services or systems to financial institutions; (5) has a national or large regional presence in one or more product lines; or (6) demonstrates other

facts or circumstances that suggest facilitating the organization's access to the GETS priority service in times of national emergency would serve to maintain the national economic posture.

Organizations seeking GETS sponsorship should complete the attached FBIIC Request for GETS Sponsorship and submit it to their primary financial regulator. Requesting organizations must support their request for sponsorship under the general NS/EP criteria stated above.

The FBIIC agencies may contact those organizations that clearly qualify under these criteria and inform them of the availability of GETS Sponsorship.¹⁴

Individuals being nominated for GETS usage should be limited to those individuals

who play critical roles in the organization's business continuity or crisis response management structure.

SUPPLEMENTARY INFORMATION:

I. Background

Section 403(r)(4)(A)(iii) of the Federal
Food, Drug and Cosmetic Act (the act)
(21 U.S.C. 343(r)(4)(A)(iii)), provides

that any person may petition the
Secretary of Health and Human Services
(and by delegation FDA) for permission
to use an implied claim characterizing
the level of a nutrient (nutrient content
claim) in a brand name. Under
§ 101.69(o)(3) (21 CFR 101.69(o)(3)),
FDA will publish a notice of the petition
in the **Federal Register** announcing its
availability to the public and seeking
comment on the petition. Within 100
days of the date of receipt of a petition
accepted for review, FDA will notify the
petitioner by letter of its decision to: (1)
Grant the petitioner permission to use
the proposed brand name, if such use is
not misleading, specifying any
conditions or limitations on such use, or
(2) deny the petition, stating the reasons
for the denial.

FDA must grant the petition if it finds
that the petitioned claim is not
misleading and is consistent with terms
defined by regulation under section
403(r)(2)(A)(i) of the act. If FDA fails to
notify the petitioner of its decision to
grant or deny the petition within the
100-day period, the petition shall be
considered to be granted. We have
determined this 100-day deadline to be
January 15, 2003.

II. Nutrient Content Claim in a Brand Name Petition

Carbolite Foods, Inc., submitted a
petition to FDA on October 7, 2002,
under section 403(r)(4)(A)(iii) of the act
(§ 101.69(o)) seeking permission to use
its brand name CARBOLITE as an
implied nutrient content claim in a
brand name.

In accordance with § 101.69(o),
Carbolite's petition for a nutrient
content claim in a brand name must
identify the implied nutrient content
claim for CARBOLITE, the nutrient the
claim is intended to characterize (sugar),
the corresponding term for
characterizing the level of such nutrient
as defined by a regulation under section
403(r)(2)(A)(i) of the act ("zero sugar"
(also referred to as "sugar free" and
defined in 21 CFR 101.60(c)(1)) and
"reduced sugar" (defined in 21 CFR
101.60(c)(5))), and the brand name of
which the implied claim is intended to
be a part—CARBOLITE. The petition
states that the petitioner seeks
permission "to use the company brand
name 'CARBOLITE' for its line of 'zero
sugar' and 'reduced sugar' food
products."

III. Comments

You may submit written or electronic
comments to the Dockets Management
Branch (see **ADDRESSES**). Groups or
organizations must submit two copies of
any mailed comments. Individuals may
