DRAFT General Management Plan and Draft Environmental Impact Statement, Fort Matanzas National Monument, Florida

AGENCY: National Park Service, Interior.

ACTION: Notice of Availability of the Draft General Management Plan and Environmental Impact Statement.

SUMMARY: Pursuant to the National Environmental Policy Act of 1969, 42

U.S.C. 4332(2)(C), the National Park Service (NPS) announces the availability of a draft Environmental Impact Statement (EIS) for the General Management Plan (GMP) for Fort Matanzas National Monument (Monument), Florida.

Consistent with NPS laws, regulations, and policies and the purpose of the Monument, the draft EIS/GMP describes the NPS preferred alternative—Alternative B—to guide the management of the Monument over the next 15 to 20 years. The preferred alternative incorporates various management prescriptions to ensure protection, access and enjoyment of the Monument's resources.

An up-to-date GMP is needed to address how visitors access and use the Monument and the facilities needed to support those uses, how resources are managed, and how the NPS manages its operations. Recent studies have enhanced the NPS's understanding of resources, resource threats, and visitor use in the Monument.

DATES: The NPS will accept comments from the public on the draft EIS/GMP for at least 60 days, starting from the date the Environmental Protection Agency publishes this Notice of Availability. The date, time, and location of the public meetings on the draft EIS/GMP will be announced through the NPS Planning, Environment, and Public Comment (PEPC) Web site: <http://parkplanning.nps.gov/FOMA> and media outlets.

ADDRESSES: Electronic copies of the draft EIS/GMP will be available online at <http://parkplanning.nps.gov/FOMA>. To request a copy, contact Fort Matanzas National Monument Superintendent Gordie Wilson, One South Castillo Drive, St. Augustine, FL, 32804. Comments may be submitted by several methods.
