[Docket No. CP00-40-002]

Florida Gas Transmission Company; Notice of Application

October 10, 2000.

Take notice that on September 29, 2000, Florida Gas Transmission Company (FGT), 1400 Smith Street, P.O. Box 1188, Houston, Texas 77251-1188, filed in Docket No. CP00-40-002 an amendment to its application in Docket Nos. FGT continues to request that the Commission find that the costs of the proposed Phase V Expansion can be rolled-in to establish rates for service under its incrementally priced Rate Schedule FTS-2. FGT states that the maximum rates applicable to Rate Schedule FTS-2 are expected to be lower as a result of such rolling-in of costs and thus, will not require subsidies from existing shippers.

FGT states that the proposed revisions to facilities will result in no changes to the proposed service, but are made in order to reduce the environmental
