

of preferential treatment of certain Members by the Exchange. Therefore, the Exchange believes that the proposed rule change would protect investors and the public interest by potentially providing Members with a remedy not currently available to them to recover for losses incurred as a result of Trading Center Systems Issues, which generally arise from factors unrelated to their trading activities.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The proposed rule change would not impose any burden on competition. The proposed rule change is designed to promote fairness in the marketplace by increasing the time within which a Member is to submit claims for Exchange System Issues and to be compensated for losses that result from Trading Center Systems Issues. The Exchange believes that the proposed rule changes will not burden intermarket competition because the benefits offered under the proposed rule changes are not currently offered by any other exchange. The Exchange believes that the proposed rule changes will not burden intramarket competition because all Members would be subject to the same deadline to submit a claim for Exchange Systems Issues and be able to submit claims for reimbursement for certain losses incurred due to Trading Center System Issues.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>12</sup> and Rule 19b-4(f)(6)(iii) thereunder.<sup>13</sup>

<sup>12</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>13</sup> 17 CFR 240.19b-4(f)(6)(iii). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date

A proposed rule change filed under Rule 19b-4(f)(6) of the Act<sup>14</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii) of the Act,<sup>15</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Such waiver would immediately extend the time period by which Exchange members are able to submit claims seeking compensation for Exchange systems issues under EDGX Rule 11.12(d) and would immediately establish a means for members to potentially receive compensation for losses caused by a systems issue occurring at another Trading Center on orders routed to such Trading Center by DE Route. For these reasons, the Commission hereby waives the 30-day operative delay and designates the proposed rule change to be operative upon filing with the Commission.<sup>16</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

### **IV. Solicitation of Comments**

<sup>15</sup> 17 CFR 240.19b-4(f)(6)(iii).
