

with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

2. Applicants seek to amend the Prior Order to specifically permit the Funds to operate the Distribution Reinvestment Program. The only difference between the terms and conditions in the Prior Order and the Amended Order relates to a Fund issuing shares in less than Creation Unit sizes under the Distribution Reinvestment Program. Applicants represent that the relief granted in the Prior Order under section 6(c) remains appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

3. Applicants state that the Distribution Reinvestment Program is reasonable and fair because it is voluntary and each Beneficial Owner will have in advance accurate and explicit information that makes clear the terms of the Distribution Reinvestment Program and the consequences of participation. The Distribution Reinvestment Program does not involve any overreaching on the part of any person concerned because it operates the same for each Beneficial Owner who elects to participate, and is structured in the public interest because it is designed to give those Beneficial Owners who elect to participate a convenient and efficient method to reinvest distributions without paying a brokerage commission. In addition, although brokers providing the Distribution Reinvestment Program could charge a fee, applicants represent that typically brokers do not charge for this service.

4. Applicants do not believe that the issuance of Shares under the Distribution Reinvestment Program will have a material effect on the overall operation of the Funds, including on the efficiency of the arbitrage mechanism inherent in ETFs. In addition, applicants do not believe that providing Beneficial Owners with an added optional benefit (the ability to reinvest in Shares at NAV) will change the Beneficial Owners' expectations about the Funds or the fact that individual Shares trade at secondary market prices. Applicants believe that Beneficial Owners (other than Authorized Participants) generally expect to buy and sell individual Shares only through secondary market transactions at market prices and that such owners will not be confused by the Distribution Reinvestment Program. Therefore, applicants believe that the Distribution Reinvestment Program meets the standards for relief under section 6(c) of the Act.

Applicants' Conditions

Applicants agree that the Amended Order will be subject to the same conditions as those imposed by the Prior Order, except that condition A.2 is revised in its entirety as follows:

Neither the Trust nor any Fund will be advertised or marketed as an open-end investment company or a mutual fund. Any advertising material that describes the purchase or sale of Creation Units or refers to redeemability will prominently disclose that Shares are not individually redeemable and that owners of Shares may acquire those Shares from a Fund (other than pursuant to the Distribution Reinvestment Program) and tender those Shares for redemption to a Fund in Creation Units only.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67175; File No. SR-C2-2012-016]

Self-Regulatory Organizations; C2 Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fees Schedule

June 11, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 29, 2012, C2 Options Exchange, Incorporated (the "Exchange" or "C2") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule. The text of the proposed rule change is available on the Exchange's Web site (<http://www.c2exchange.com/Legal/>), at the

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule in order to state that, in regards to complex orders in multiply-listed, equity and ETF options classes, the rebate that would otherwise apply to Public Customer orders will not apply when a Public Customer order is trading with another Public Customer order. In such a circumstance, there will be no Maker or Taker fee or rebate. The reason for this change is to ensure that the Exchange pays rebates only on transactions in which the Exchange also collects some revenue.

The proposed change is to take effect on June 1, 2012.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.³ Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act,⁴ which provides that Exchange rules may provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities. The proposed change is reasonable because, while Public Customers trading complex orders in multiply-listed, equity and ETF classes with other Public Customers will no longer be receiving a rebate, they will still not be paying a fee for such transactions. The proposed change is equitable and not

³ 15 U.S.C. 78f(b).

⁴ 15 U.S.C. 78f(b)(4).

unfairly discriminatory because, as previously stated, Public Customers in this situation will still not be paying a fee, and because the Exchange must maintain its administrative and regulatory duties, the maintenance of a system in which the Exchange pays rebates to both sides of a transaction without collecting fees for such transactions may not be prudent. Further, other exchanges that offer customer rebates for complex order executions exclude customer-to-customer transactions.⁵

B. Self-Regulatory Organization's Statement on Burden on Competition

C2 does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)⁶ of the Act and paragraph (f) of Rule 19b-4⁷ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
