Minor Boundary Revision at Pecos National Historical Park

AGENCY: National Park Service, Interior.

ACTION: Notification of boundary revision.

SUMMARY: The boundary of Pecos National Historical Park is modified to include nine tracts of unimproved land totaling approximately 192.37 acres located in San Miguel County, New Mexico, immediately adjoining the boundaries of Pecos National Historical Park (Park).

DATES: The effective date of this boundary revision is October 31, 2023.

ADDRESSES: The boundary revision is depicted on Map No. 430/179,642 dated April 2023. The map is available for inspection at the following locations: National Park Service, Land Resources Program Center, 12795 West Alameda Parkway, Suite 161, Lakewood, Colorado 80228; and National Park Service, Department of the Interior, 1849 C Street NW, Washington, DC 20240.

FOR FURTHER INFORMATION CONTACT: Chief Realty Officer, William Morgan, National Park Service, Interior Regions 6, 7 & 8, Land Resources Program Center, 12795 West Alameda Parkway, Suite 161, Lakewood, Colorado, telephone (303) 969-2610.

SUPPLEMENTARY INFORMATION: Section 202(b) of the Act of June 27, 1990, 16 U.S.C. 410rr-1, (Pub. L. 101-313), authorizes the Secretary of the Interior to make minor revisions to the boundary of Pecos National Historical Park, in accordance with section 7(c) of the Land and Water Conservation Fund Act of 1965, codified as amended at 54 U.S.C. 100506(c). After notifying the House Committee on Natural Resources and the Senate Committee on Energy and Natural Resources, the Secretary of the Interior may make minor revisions to the boundaries of an area of the National Park System upon publication of Notice in the **Federal Register**. The Committees have been notified of this boundary revision. This boundary revision will support the Park's mission through the preservation and protection of significant resources, enhancing the interpretation and management of the Park in addition to providing expanded

recreational opportunities to park visitors.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1325]

Certain Soft Projectile Launching Devices, Components Thereof, Ammunition, and Products Containing Same; Notice of Request for Submission on the Public Interest

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that on October 25, 2023, the presiding administrative law judge ("ALJ") issued an Initial Determination on Violation of Section 337. The ALJ also issued a Recommended Determination on remedy and bonding should a violation be found in the above-captioned investigation. The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation. This notice is soliciting comments from the public and interested government agencies only.

FOR FURTHER INFORMATION CONTACT: Robert J. Needham, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708-5468. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly

competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry. (19 U.S.C. 1337(d)(1)). A similar provision applies to cease and desist orders. (19 U.S.C. 1337(f)(1)).

The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation, specifically: a limited exclusion order directed to certain soft projectile launching devices, components thereof, ammunition, and products containing same imported, sold for importation, and/or sold after importation by respondents Prime Time Toys LLC, Prime Time Toys Ltd., and Easebon Services, Ltd. and cease and desist orders directed to Prime Time Toys LLC, Prime Time Toys Ltd., and Easebon Services, Ltd. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

The Commission is interested in further development of the record on the public interest in this investigation. Accordingly, members of the public and interested government agencies are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the ALJ's Recommended Determination on Remedy and Bonding issued in this investigation on October 25, 2023. Comments should address whether issuance of the recommended remedial orders in this investigation, should the Commission find a violation, would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) explain how the articles potentially subject to the recommended remedial orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third-party suppliers have the capacity to replace the volume of articles potentially subject to the recommended orders within a commercially reasonable time; and
