

interest of national defense programs, or in the interest of assuring that a fair portion of Government procurement is placed with small business concerns.

(3) All of the offers received under this solicitation will first be negotiated as to price and an evaluation will be made as though there were no set-aside.

(4) For the purposes of set-aside evaluation, when an offer contains increments at different prices, each increment will be considered a separate offer. Except as provided in (d) below, negotiations will be limited to the offered quantities not awarded under the provision of (c)(2) below.

(c) SET-ASIDE AWARD PROCEDURE.

(1) The price for the small business set-aside portion will be negotiated by the Contracting Officer based upon prices the Government would otherwise pay the successful offeror for the non-set-aside portion of the location under this solicitation, adjusted for transportation charges and other factors. In the case of a small business concern whose offer is determined by the evaluation process to be low on the non-set-aside portion, awards of the set-aside portion will be made to that small business concern without further negotiation. Contracts for any remaining set-aside portions will be negotiated with those eligible small business concerns that have submitted a responsive offer on the various items for which a set-aside has been established. In no event will a small business concern be awarded a set-aside portion at a price higher than its offer price under the non-set-aside portion.

(2) Negotiations for small business set-aside awards will begin with the small business concern with the lowest evaluated price and a quantity of offered product remaining. If the low small business concern on the item does not offer to supply product at the set-aside price established in accordance with (1) above, the next low small business concern on the item will be given the same opportunity; this process will continue with the successive low small business concerns until all small business concerns have been contacted.

(3) The Government reserves the right to make awards to the otherwise low offeror for all or any portion of the set-aside quantities, without regard to the size of the offeror, if eligible small business concerns do not offer a quantity of product sufficient to meet a set-aside requirement or do not offer to supply at the set-aside prices. The total quantity that will be awarded a small business offeror on both the unreserved and reserved portions will not exceed the total quantity offered under this solicitation by such small business offerors. However, if insufficient product is offered by small business concerns to meet the quantity set aside for small business, small business concerns with which the Government has already commenced negotiations may be given an opportunity to offer additional product.

(4) Where the Trade Agreements Act applies to the non-set-aside portion, offers of eligible products will be treated as if they were qualifying country end products.

(d) AGREEMENT. For the set-aside portion of the acquisition, a small business concern submitting an offer in its own name agrees

to furnish, in performing the contract, only end items manufactured or produced by small business concerns inside the United States. The term United States includes its territories and possessions, the Commonwealth of Puerto Rico, the Trust Territory of the Pacific Islands, and the District of Columbia. If this procurement is processed under simplified acquisition procedures and the total amount of this contract does not exceed \$25,000, a small business concern may furnish the product of any domestic firm. This paragraph does not apply in connection with construction or service contracts.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: This program provides support for planning,

conducting, administering, and evaluating centers for independent living (CILs) that comply with the standards and assurances in section 725 of the Rehabilitation Act of 1973, as amended (Act), consistent with the design included in the State Plan for Independent Living (SPIL) for establishing a statewide network of CILs.

Program Authority: 29 U.S.C. 796f-1; American Recovery and Reinvestment Act of 2009, Pub. L. 111-5 (ARRA).

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, and 97. (b) The regulations for this program in 34 CFR parts 364 and 366.

Note: The regulations in 34 CFR part 79 apply to all applicants except Federally recognized Indian Tribes.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: \$10,229,435 from the American Recovery and Reinvestment Act of 2009 (ARRA) and \$596,334 from the FY 2010 Centers for Independent Living (CIL) appropriation. The purposes of the ARRA include the following:

- (1) To preserve and create jobs and promote economic recovery;
- (2) To assist those most impacted by the recession;
- (3) To provide investments needed to increase economic efficiency by

spurring technological advances in science and health;

(4) To invest in transportation, environmental protection, and other infrastructure that will provide long-term economic benefit; and

(5) To stabilize State and local government budgets in order to minimize and avoid reductions in essential services and counterproductive State and local tax increases.

Estimated Range of Awards: \$100,000–\$1,550,000.

Estimated Average Size of Awards: \$386,635.

Estimated Number of Awards: 28, distributed in the following manner:

States and territories	Estimated available funds	Source of funds	Estimated number of awards
Alaska	\$117,089	ARRA	1
American Samoa	154,046	FY 2010 CIL Appropriation	1
Georgia	683,510	ARRA	1
Illinois	1,066,604	ARRA	9
Maryland	442,288	FY 2010 CIL Appropriation	2
Michigan	2,330,310	ARRA	5
New Jersey	625,000	ARRA	1
New York	1,500,000	ARRA	3
North Carolina	987,500	ARRA	1
Ohio	100,000	ARRA	1
Tennessee	1,000,000	ARRA	1
Texas	1,550,000	ARRA	1
Washington	269,422	ARRA	1

Note: For all entities except American Samoa and Maryland, the dollar amount in the column "Estimated available funds" represents the total amount of funding that is available to establish new CILs in each State. Since these funds will be used to provide more than one year of support for the operation of new centers, the amount listed is not the amount that is available annually for grant awards in that State. In the case of American Samoa and Maryland, however, the source of funds indicated in the table is the FY 2010 CIL appropriation, rather than ARRA, and the funds do represent the amount available in this year. Please refer to the application package for each State's annual amount per project period and the number of project periods applicable to each grant. The application package also contains information regarding the geographic area or areas in each State that applicants must propose to serve. The Department will not make awards to applicants in a State that was required to amend its SPIL in order to receive ARRA funds under the CIL program until the Department has approved the amendment to the SPIL.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 60 months.

6. *Other Submission Requirements:* Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications

Applications for grants under the Centers for Independent Living Program—CFDA Numbers 84.400A and 84.132A must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- (1) Print SF 424 from e-Application.
- (2) The applicant's Authorizing Representative must sign this form.
- (3) Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

- (1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (2) (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

- You do not have access to the Internet; or
 - You do not have the capacity to upload large documents to e-Application;
- and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the

Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Sean Barrett, U.S. Department of Education, 400 Maryland Avenue, SW., room 5016, Potomac Center Plaza (PCP), Washington, DC 20202-2800. FAX: (202) 245-7590.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application, by hand, on or before the application deadline date, to the Department at the following

address: U.S. Department of Education, Application Control Center, *Attention:* (CFDA Number 84.400A or 84.132A), 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260.

(1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

(2) The Application Control Center will mail to you a notification of receipt of your grant application. V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are in 34 CFR 366.27 and are listed in the application package.

2. *Review and Selection Process:* In selecting an application for an award under this program, an additional factor we consider is comments regarding the application, if any, by the Statewide Independent Living Council in the State in which the applicant is located.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant. In addition, the GAN includes terms and conditions necessary for effective implementation of data collection and

accountability requirements under the ARRA.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

Some of the funds awarded through this competition were appropriated under the ARRA and are subject to additional accountability and transparency reporting requirements, which are described in section 1512(c) of the ARRA. Grantees receiving funds provided by the ARRA must be able to distinguish these funds from any other funds they receive through this program. Recipients of ARRA funds will be required to submit quarterly reports on the expenditure of these funds no later than ten days after the end of each calendar quarter through a centralized reporting Web site administered by the Office of Management and Budget (OMB):

<http://www.federalreporting.gov>. The information reported at this Web site will be available to the Department, the White House, OMB, and the public on <http://www.Recovery.gov>. Additional guidance providing further detail on the quarterly report is available at: <http://www2.ed.gov/policy/gen/leg/recovery/section-1512.html>. Additional guidance on the use of ARRA funds by centers for independent living can be found at: <http://www.ed.gov/print/policy/gen/leg/recovery/factsheet/rehab-act.html>.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993 (GPRA), the Department measures outcomes in the following three areas to evaluate the overall effectiveness of projects funded under this competition: (1) The effectiveness of individual services in enabling consumers to access previously unavailable transportation, appropriate accommodations to receive health care services, and/or assistive technology resulting in increased independence in at least one significant life area; (2) the effectiveness of individual services designed to help consumers move out of institutions and into community-based settings; and (3) the extent to which projects are participating in community activities to expand access to

transportation, health care, assistive technology, and housing for individuals with disabilities in their communities. Grantees will be required to report annually on the percentage of their consumers who achieve their individual goals in the first two areas and on the percentage of their staff, board members, and consumers involved in community activities related to the third area.

All grantees will be required to submit an annual performance report documenting their success in addressing these performance measures, as well as the standards and assurances in section 725 of the Act.
