

agenda items will be described and discussed, and attendees will have the opportunity to pose questions and offer comments. Written comments may be offered at the meeting or sent to the U.S. Delegate for the 29th Session of the CCMAS (see **ADDRESSES**). Written comments should state that they relate to activities of the 29th Session of the CCMAS.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that minorities, women, and persons with disabilities are aware of this notice, FSIS will announce it online through the FSIS Web page located at http://www.fsis.usda.gov/regulations/2008_Notices_Index/. FSIS will also make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to constituents and stakeholders. The Update is communicated via Listserv, a free electronic mail subscription service for industry, trade groups, consumer interest groups, health professionals, and other individuals who have asked to be included. The Update is also available on the FSIS Web page. Through the Listserv and Web page, FSIS is able to provide information to a much broader and more diverse audience. In addition, FSIS offers an electronic mail subscription service which provides automatic and customized access to selected food safety news and information. This service is available at http://www.fsis.usda.gov/news_and_events/email_subscription/. Options range from recalls to export information to regulations, directives and notices. Customers can add or delete subscriptions themselves, and have the option to password protect their accounts.

SUPPLEMENTARY INFORMATION:

Title: National Childhood Injury and Occupational Injury Survey of Farm Operators.

OMB Control Number: 0535-0235.

Expiration Date of Approval: 06/30/2008.

Type of Request: To extend and revise its title and scope of the currently approved information collection to The National Childhood Injury and Occupational Injury Survey of Minority Farm Operators.

Abstract: The National Childhood Injury and Occupational Injury Survey of Minority Farm Operators is designed to: (1) Provide estimates of childhood nonfatal injury incidence and description of injury occurring to children less than 20 years of age who reside on, work on, or visit minority farms and (2) describe the occupational injury experience of minority farm operators. Data will be collected by telephone from all 50 states with 25,000 operations receiving a Childhood Injury version only and 25,000 receiving a combined Childhood Injury and Occupational Injury version. Questions will relate to injury problems occurring during the 2008 calendar year.

These data will update and enhance existing data series used by the National Institute of Occupational Safety and Health to: (1) Establish a measure of the number and rate of childhood injuries associated with farming operations and study the specific types of injuries sustained and (2) describe the scope and
