

Background and Purpose

The Coast Guard published guidelines on December 31, 1992 (57 FR 62600), to assist groups seeking recertification under the Oil Terminal and Oil Tanker Environmental Oversight and Monitoring Act of 1990 (33 U.S.C. 2732) (the Act). The Coast Guard issued a policy statement on July 7, 1993 (58 FR 36504), to clarify the factors that the Coast Guard would be considering in making its determination as to whether advisory groups should be certified in accordance with the Act, and the procedures which the Coast Guard would follow in meeting its certification responsibilities under the Act.

Most recently, on September 16, 2002 (67 FR 58440), the Coast Guard changed its policy on recertification procedures for regional citizen's advisory council by requiring applicants to provide comprehensive information every three years. For each of the two years between the triennial application procedures, applicants submit a letter requesting recertification that includes a description of any substantive changes to the information provided at the previous triennial recertification. Further, public comment is only solicited during the triennial comprehensive review.

Recertification

By letter dated June 29, 2022, the Commander, Seventeenth Coast Guard District, certified that the CIRCAC qualifies as an alternative voluntary advisory group under 33 U.S.C. 2732(o). This recertification terminates on August 31, 2023.

Dated: July 1, 2022.

Nathan A. Moore,

Rear Admiral, U.S. Coast Guard, Commander, Seventeenth Coast Guard District.

[Docket No. USCG-2022-0398]

Great Lakes Pilotage Advisory Committee Meeting

AGENCY: Coast Guard, Department of Homeland Security.

ACTION: Notice of federal advisory committee meeting.

SUMMARY: The Great Lakes Pilotage Advisory Committee (Committee) will meet at the Port of Monroe, Michigan, to discuss matters relating to Great

Lakes Pilotage, including review of proposed Great Lakes Pilotage regulations and policies. The meeting will be open to the public.

DATES:

Meeting: The Committee will meet on Tuesday, September 13, 2022 from 8 a.m. to 5:30 p.m. Eastern Daylight Time. Please note that this meeting may adjourn early if the Committee has completed its business.

Comments and supporting documentations: To ensure your comments are received by Committee members before the meeting, submit your written comments no later than September 6, 2022.

ADDRESSES: The meeting will be held at Great Lakes Port Authorities and Marine Terminals, 10 Port Avenue, Monroe, MI 48161. <https://portofmonroe.com>.

Pre-registration Information: Pre-registration is not required for access. Attendees will be required to follow COVID-19 safety guidelines promulgated by the Centers for Disease Control and Prevention (CDC), which includes vaccinated persons not needing to wear masks. Masks will be provided for non-vaccinated attendees. CDC guidance on COVID protocols can be found here: <https://www.cdc.gov/coronavirus/2019-ncov/communication/guidance.html>.

The Great Lakes Pilotage Advisory Committee is committed to ensuring all participants have equal access regardless of disability status. If you require reasonable accommodation due to a disability to fully participate, please call or email the individual in the **FOR FURTHER INFORMATION CONTACT** section of this documents as soon as possible.

Instructions: You are free to submit comments at any time, including orally at the meeting, but if you want Committee members to review your comment before the meeting, please submit your comments no later than September 6, 2022. We are particularly interested in comments in the "Agenda" section below. We encourage you to submit comments through the Federal eRulemaking Portal at: <https://www.regulations.gov>. If your material cannot be submitted using <https://www.regulations.gov> call or email the individual in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions. You must include the docket number USCG-2022-0398. Comments received will be posted without alteration at <https://www.regulations.gov> including any personal information you provided. You may wish to view the Privacy and Security Notice found via link <https://www.regulations.gov>. For more about

the privacy and submissions in response to this document, see DHS's eRulemaking System of Records notice (85 FR 14226, March 11, 2020). If you encounter technical difficulties with comment submission, contact the individual listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

Docket Search: Documents mentioned in this notice as being available in the docket, and all public comment, will be in our online docket at <https://www.regulations.gov> and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign-up for email alerts, you will be notified when comments are posted.

FOR FURTHER INFORMATION CONTACT: Mr. Frank Levesque, Alternate Designated Federal Officer of the Great Lakes Pilotage Advisory Committee, telephone (571) 308-4941 or email Francis.R.Levesque@uscg.mil.

SUPPLEMENTARY INFORMATION: Notice of this meeting is in compliance with the *Federal Advisory Committee Act* (5 U.S.C. appendix). The Committee is established under the authority of 46 U.S.C. 9307, and makes recommendations to the Secretary of Homeland Security and the Coast Guard on matters relating to Great Lakes pilotage, including review of proposed Great Lakes pilotage regulations and policies.

Agenda: The Great Lakes Pilotage Advisory Committee will meet on Tuesday, September 13, 2022 to review, discuss, deliberate and formulate recommendations, as appropriate on the following topics:

1. Pilot Staffing.
2. Soo Locks Operations.
3. Pilotage Assessment.
4. Necessary and Reasonable Expenses for Ratemaking.
5. Rulemaking Process and Ex Parte Communications.
6. Role of the Pilot.
7. Importance of System Reliability.
8. Fees for weather disruption.
9. United States Registered Pilot Credential.
10. Cruise Ships.
11. Great Lake Pilotage Initiatives and Projects.
12. Winter Navigation.
13. Public comments.

A copy of all meeting documentation will be available at <https://www.dco.uscg.mil/Our-Organization/Assistant-Commandant-for-Prevention-Policy-CG-5P/Marine-Transportation-Systems-CG-5PW/Office-of-Waterways-and-Ocean-Policy/Great-Lakes-Pilotage-Advisory-Committee/> by September 25,

2022. Alternatively, you may contact Mr. Frank Levesque as noted in the **FOR FURTHER INFORMATION CONTACT** section above.

Public comments or questions will be taken throughout the meeting as the Committee discusses the issues and prior to deliberations and voting. There will also be a public comment period at the end of the meeting. Speakers are requested to limit their comments to 5 minutes. Please note that the public comment period will end following the last call for comments. Contact the individual listed in the **FOR FURTHER INFORMATION CONTACT** section above, to register as a speaker.

Dated: July 7, 2022.

Michael D. Emerson,

Director, Marine Transportation Systems.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID FEMA-2022-0002; Internal Agency Docket No. FEMA-B-2250]

Changes in Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice lists communities where the addition or modification of Base Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone designations, or the regulatory floodway (hereinafter referred to as flood hazard determinations), as shown on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports, prepared by the Federal Emergency Management Agency (FEMA) for each community, is appropriate because of new scientific or technical data. The FIRM, and where applicable, portions of the FIS report, have been revised to

reflect these flood hazard determinations through issuance of a Letter of Map Revision (LOMR), in accordance with Federal Regulations. The currently effective community number is shown in the table below and must be used for all new policies and renewals.

DATES: These flood hazard determinations will be finalized on the dates listed in the table below and revise the FIRM panels and FIS report in effect prior to this determination for the listed communities.

From the date of the second publication of notification of these changes in a newspaper of local circulation, any person has 90 days in which to request through the community that the Deputy Associate Administrator for Insurance and Mitigation reconsider the changes. The flood hazard determination information may be changed during the 90-day period.

ADDRESSES: The affected communities are listed in the table below. Revised flood hazard information for each community is available for inspection at both the online location and the respective community map repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

Submit comments and/or appeals to the Chief Executive Officer of the community as listed in the table below.

FOR FURTHER INFORMATION CONTACT: Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov; or visit the FEMA Mapping and Insurance eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: The specific flood hazard determinations are not described for each community in this notice. However, the online location and local community map

repository address where the flood hazard determination information is available for inspection is provided.

Any request for reconsideration of flood hazard determinations must be submitted to the Chief Executive Officer of the community as listed in the table below.

The modifications are made pursuant to section 201 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

These flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities. The flood hazard determinations are in accordance with 44 CFR 65.4.

The affected communities are listed in the following table. Flood hazard determination information for each community is available for inspection at both the online location and the respective community map repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.
