

Transportation to ensure the competitiveness of the U.S. aviation industry and its capability to manage effectively the evolving transportation needs, challenges, and opportunities of the global economy. The Subcommittee is charged with ensuring the availability and quality of a workforce necessary to support a robust, expanding commercial aviation industry in light of the changing socio-economic dynamics of the world's technologically advanced economies. Among other matters, the Subcommittee will examine the future employment requirements of the aviation industry, its educational requirements, and the critical/technical skills that will be needed by our future aviation workforce.

**DATES:** The meeting will be held on July 8, 2010, from 1 p.m. to 4 p.m. e.d.t.

**ADDRESSES:** The meeting will be held at the Communications Workers of America Building, 501 3rd Street, NW., Washington, DC 20001.

**Public Access:** The meeting is open to the public. (See below for registration instructions.)

**Public Comments:** Persons wishing to offer written comments and suggestions concerning the activities of the advisory committee or Subcommittee should file comments in the Public Docket (Docket Number DOT-OST-2010-0074 at <http://www.Regulations.gov>) or alternatively through the [FAAC@dot.gov](mailto:FAAC@dot.gov) e-mail. If comments and suggestions are intended specifically for the Subcommittee on Labor and World-class Workforce, the term "Labor/Workforce" should be listed in the subject line of the message. In order to ensure that such comments can be considered by the Subcommittee before its July 8, 2010, meeting, public comments must be filed by 5 p.m. e.d.t. on Monday, June 28, 2010.

#### SUPPLEMENTARY INFORMATION:

##### Background

Under section 10(a)(2) of the Federal Advisory Committee Act (5 U.S.C. App. 2), we are giving notice of a meeting of the FAAC Subcommittee on Labor and World-class Workforce taking place on July 8, 2010, from 1 p.m. to 4 p.m. e.d.t., at 501 3rd Street, NW., Washington, DC 20001. Background information may be found at the FAAC Web site, located at <http://www.dot.gov/faac/>. The agenda includes—

1. Discussion of topics offered by Subcommittee members for referral to the full Committee on the subject of competitiveness and viability of the aviation industry.
2. Establishment of a plan and timeline for further work.

3. Identification of priority issues for the second Subcommittee meeting.

##### Registration

The meeting room can accommodate up to 50 members of the public. Persons desiring to attend must pre-register through e-mail to [FAAC@dot.gov](mailto:FAAC@dot.gov). The term "Registration: Labor/Workforce" must be listed in the subject line of the message, and admission will be limited to the first 50 persons to pre-register and receive a confirmation of their pre-registration. No arrangements are being made for audio or video transmission or for oral statements or questions from the public at the meeting. Minutes of the meeting will be taken and will be posted on the FAAC Web site at <http://www.dot.gov/faac/>.

##### Request for Special Accommodation

The DOT is committed to providing equal access to this meeting for all participants. If you need alternative formats or services because of a disability, please send a request to [FAAC@dot.gov](mailto:FAAC@dot.gov) with the term "Special Accommodations" listed in the subject line of the message by close of business on June 28, 2010.

#### DEPARTMENT OF TRANSPORTATION

##### National Highway Traffic Safety Administration

**[U.S. DOT Docket Number NHTSA-2010-0085]**

##### Reports, Forms, and Recordkeeping Requirements

**AGENCY:** National Highway Traffic Safety Administration (NHTSA), Department of Transportation.

**ACTION:** Request for public comment on proposed collection of information.

**SUMMARY:** Before a Federal agency can collect certain information from the public, it must receive approval from the Office of Management and Budget (OMB). Under procedures established by the Paperwork Reduction Act of 1995, before seeking OMB approval, Federal agencies must solicit public comment on proposed collections of information, including extensions and reinstatement of previously approved collections.

This document describes one collection of information for which NHTSA intends to seek OMB approval.

**DATES:** Comments must be received on or before August 16, 2010.

**ADDRESSES:** Comments must refer to the docket notice number cited at the beginning of this Notice and be submitted by any of the following methods:

- **Federal eRulemaking Portal:** Go to <http://www.regulations.gov>. Follow the online instructions for submitting comments.
- **Mail:** Docket Management Facility, M-30, U.S. Department of Transportation, West Building Ground Floor, Rm. W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590.
- **Hand Delivery or Courier:** West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590 between 9 a.m. and 5 p.m. Eastern Time, Monday through Friday, except Federal holidays.
- **Fax:** (202) 493-2251.

Regardless of how you submit your comments, you should mention the docket number of this document. You may call the Docket at (202) 366-9324.

Please identify the proposed collection of information for which a comment is provided, by referencing its OMB clearance Number. It is requested, but not required, that 2 copies of the comment be provided. The Docket Management Facility is open on weekdays from 10 a.m. to 5 p.m.

##### FOR FURTHER INFORMATION CONTACT:

Complete copies of each request for collection of information may be obtained at no charge from Mr. Samuel Daniel, Jr., NHTSA, 1200 New Jersey Ave., SE., W43-474, Washington, DC 20590. Telephone number is (202) 366-4921, fax number is (202) 366-7002.

**SUPPLEMENTARY INFORMATION:** Under the Paperwork Reduction Act of 1995, before an agency submits a proposed collection of information to OMB for approval, it must first publish a document in the **Federal Register** providing a 60-day comment period and

otherwise consult with members of the public and affected agencies concerning each proposed collection of information. The OMB has promulgated regulations describing what must be included in such a document. Under OMB's regulation (at 5 CFR 1320.8(d)), an agency must ask for public comment on the following:

(i) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(ii) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(iii) How to enhance the quality, utility, and clarity of the information to be collected;

(iv) How to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

In compliance with these requirements, NHTSA asks for public comments on the following proposed collections of information:

**Title:** 49 CFR Part 571.116, Motor Vehicle Brake Fluids.

**OMB Number:** 2127-0521.

**Type of Request:** Extension of a currently approved collection.

**Abstract:** Federal Motor Vehicle Safety Standard No. 116, "Motor Vehicle Brake Fluids," specifies performance and design requirements for motor vehicle brake fluids and hydraulic system mineral oils. Section 5.2.2 specifies labeling requirements for manufacturers and packagers of brake fluids as well as packagers of hydraulic system mineral oils. The information on the label of a container of motor vehicle brake fluid or hydraulic system mineral oil is necessary to insure: The contents of the container are clearly stated; these

fluids are used for their intended purpose only; and the containers are properly disposed of when empty. Improper use or storage of these fluids could have dire safety consequences for the operators of vehicles or equipment in which they are used.

**Affected Public:** Business or other for profit organizations.

**Estimated Total Annual Burden:** 7000 hours.

**Estimated Number of Respondents:** 200.

Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Issued on: June 11, 2010.

### Pipeline and Hazardous Materials Safety Administration

#### Office of Hazardous Materials Safety; Notice of Applications for Modification of Special Permit

**AGENCY:** Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

**ACTION:** List of applications for modification of special permits.

**SUMMARY:** In accordance with the procedures governing the application for, and the processing of, special permits from the Department of

Transportation's Hazardous Material Regulations (49 CFR part 107, subpart B), notice is hereby given that the Office of Hazardous Materials Safety has received the applications described herein. This notice is abbreviated to expedite docketing and public notice. Because the sections affected, modes of transportation, and the nature of application have been shown in earlier **Federal Register** publications, they are not repeated here. Requests for modification of special permits (*e.g.* to provide for additional hazardous materials, packaging design changes, additional mode of transportation, *etc.*) are described in footnotes to the application number. Application numbers with the suffix "M" denote a modification request. These applications have been separated from the new application for special permits to facilitate processing.

**DATES:** Comments must be received on or before July 2, 2010.

**ADDRESS COMMENTS TO:** Record Center, Pipeline and Hazardous Materials Safety Administration, U.S. Department of Transportation, Washington, DC 20590.

Comments should refer to the application number and be submitted in triplicate. If confirmation of receipt of comments is desired, include a self-addressed stamped postcard showing the special permit number.

#### FOR FURTHER INFORMATION CONTACT:

Copies of the applications are available for inspection in the Records Center, East Building, PHH-30, 1200 New Jersey Avenue, SE., Washington DC or at <http://regulations.gov>.

This notice of receipt of applications for modification of special permit is published in accordance with part 107 of the Federal hazardous materials transportation law (49 U.S.C. 5117(b); 49 CFR 1.53(b)).

Issued in Washington, DC, on June 8, 2010.
