

§ 493.1804 by revising paragraph (c)(1) to read as follows:”.

Department of Health and Human Services.*

**CORPORATION FOR NATIONAL AND  
COMMUNITY SERVICE**

**45 CFR Part 2500**  
**RIN 3045–AA83**

**AmeriCorps Statement of Organization**

**AGENCY:** Corporation for National and  
Community Service.  
**ACTION:** Final rule.

**SUMMARY:** The Corporation for National  
and Community Service (CNCS), which  
operates as AmeriCorps, is finalizing a  
rule to provide general information to  
the public about its structure and  
purpose, as required by the  
Administrative Procedure Act. While  
AmeriCorps already provides

information about its organizational  
structure on its public-facing website  
(*americorps.gov*), this rule would  
comply with the statutory requirement  
that agencies publish in the **Federal  
Register** their descriptions of  
organization. This rule will also  
increase transparency regarding  
AmeriCorps’ operations by mapping out  
its existing program regulations, thereby  
providing an overview of the Agency’s  
programs.

**DATES:** This rule is effective March 4,  
2024.

Counsel, at (202) 967–5070, or *eappel@

**SUPPLEMENTARY INFORMATION:**

**I. Background**

AmeriCorps, the operating name for  
the Corporation for National and  
Community Service, is a Federal agency  
that engages millions of Americans in  
service. AmeriCorps members and  
AmeriCorps Seniors volunteers serve  
directly with nonprofit, tribal, faith-

based, or community organizations to  
tackle some of our nation’s most  
pressing challenges. Although  
AmeriCorps already provides  
information about its organizational  
structure on its website, *americorps.gov*,  
this rule complies with the statutory  
requirement that agencies “publish in  
the **Federal Register**” their descriptions  
of organization. *See* 5 U.S.C.  
552(a)(1)(A). This rule will also increase  
transparency regarding AmeriCorps’  
operations by mapping out its existing  
program regulations, thereby providing  
an overview of the Agency’s programs.

This rule adds AmeriCorps’  
organizational information to Code of  
Federal Regulations (CFR) part 2500.  
Part 2500 already includes information  
about AmeriCorps being CNCS’s  
operating name and information about  
AmeriCorps’ logos. This rule  
redesignates, without substantive  
change, the operating name and logo  
sections to new sections later in the CFR  
part and adds subpart designations. The  
following is a breakdown of the new  
and redesignated sections:

Current 45 CFR section	New 45 CFR section	Description of change
2500.1 Agency Operating Name .....	Subpart A—Introduction .....	New subpart designation.
	2500.1 Creation and authority .....	New section.
	2500.2 Agency operating name .....	Redesignated without substantive change.
	2500.3 Purpose and mission .....	New section.
	Subpart B—Organization .....	New subpart designation.
	2500.10 General .....	New section.
	2500.11 AmeriCorps headquarters .....	New section.
	2500.12 Region offices .....	New section.
	Subpart C—Programs .....	New subpart designation.
	2500.20 Program descriptions .....	New section.
	2500.21 Focus areas .....	New section.
	Subpart D—Logos .....	New subpart designation.
2500.2 Description of Logos .....	2500.30 Description of logos .....	Redesignated without substantive change.
2500.3 Retirement of Logos .....	2500.31 Retirement of logos .....	Redesignated without substantive change.
2500.4 Authority to affix logos .....	2500.32 Authority to affix logos .....	Redesignated without substantive change.

The new sections describe  
AmeriCorps’:

- Statutory basis and origination;
- Purpose, to administer the programs  
established under the national service  
laws; and mission, to improve lives,  
strengthen communities, and foster  
civic engagement through service and  
volunteering;
- Organization, including the roles of  
the Chief Executive Officer and the  
Board of Directors;
- Headquarters, including leadership  
positions; and region offices, referring to  
AmeriCorps’ website for details on  
contact information;
- Four main national service  
programs: AmeriCorps NCCC,  
AmeriCorps Seniors, AmeriCorps State  
and National, and AmeriCorps VISTA;  
and

- Focus areas, which include, but are  
not limited to, disaster services,  
economic opportunity, education,  
environmental stewardship, healthy  
futures, and veterans and military  
families.

Edits to the sections addressing  
AmeriCorps’ logos specify the logos’  
fonts and the direction of the flag in the  
logos and make minor grammatical  
changes.

**II. Responses to Comments on Proposed  
Rule and Changes to Proposed Rule**

AmeriCorps published the proposed  
rule on May 2, 2023. *See* 88 FR 27423.  
AmeriCorps received three written  
comment submissions prior to the July  
3, 2023, deadline for public comments.  
All three comments expressed  
opposition to AmeriCorps’ regional

structure under the Office of Regional  
Operations and the logos and branding  
that resulted from the “Transformation  
and Sustainability Plan” that  
AmeriCorps adopted several years ago.  
Commenters recounted multiple  
challenges with the regional structure  
that replaced the State Office structure.  
AmeriCorps currently operates through  
the regional structure and strives to  
address grantees’ concerns or the  
difficulties they face within that  
structure. However, because the rule  
merely describes the regional structure  
under which AmeriCorps currently  
operates, AmeriCorps is not  
reconsidering its structure at this time,  
and is proceeding with finalization of  
the description contained in the rule.  
However, AmeriCorps appreciates the

commenters' input on the structure and welcomes ongoing communications to continually improve operations within the regional structure.

All three comments also expressed some opposition to the logos and branding, stating—among other reasons—that the logo and branding cause confusion. AmeriCorps appreciates the comments around the potential brand confusion; however, because no substantive change was proposed for the sections related to logos and branding (only a redesignation of section numbers), AmeriCorps is maintaining the current rule with finalization of the proposed section redesignations.

The only changes to the proposed rule that the final rule makes are minor wording changes for clarity and additional explanation of AmeriCorps NCCC. In § 2500.10, regarding the general organization of the Agency, the final rule clarifies that the Chief Executive Officer is responsible for exercising powers and discharging duties set out in the National and Community Service Act of 1990, as amended, 42 U.S.C. 12501 *et seq.* (NCSA), and that the Board is responsible for discharging duties set out in the NCSA. In §§ 2500.10(c) and 2500.12, the final rule clarifies that there are two separate sets of regions under AmeriCorps' structure: one for AmeriCorps NCCC and one for AmeriCorps' Office of Regional Operations. In § 2500.20, the final rule adds references to a newly operational sub-program, NCCC Forest Corps, and the Agency's Disaster Services Unit.

### III. Regulatory Analyses

#### A. Executive Orders 12866 and 13563

Executive Orders (E.O.) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. The Office of Information and Regulatory Affairs in the Office of Management and Budget has determined that this is not a significant regulatory action.

#### B. Congressional Review Act (Small Business Regulatory Enforcement Fairness Act of 1996, Title II, Subtitle E)

As required by the Congressional Review Act (5 U.S.C. 801–808), before an interim or final rule takes effect, AmeriCorps will submit an interim or final rule report to the U.S. House of Representatives, U.S. Senate, and to the Comptroller General of the U.S. A major rule cannot take effect until 60 days after it is published in the **Federal Register**. The Office of Information and Regulatory Affairs in the Office of Management and Budget determined this is not a major rule under 5 U.S.C. 804 because this rule will not result in (1) an annual effect on the economy of \$100 million or more; (2) a major increase in costs or prices for consumers, individual industries, Federal, State, or local Government agencies, or geographic regions; or (3) significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of U.S.-based enterprises to compete with foreign-based enterprises in domestic and export markets.

#### C. Regulatory Flexibility Act

As required by the Regulatory Flexibility Act of 1980 (5 U.S.C. 601 *et seq.*), AmeriCorps certifies that this rule, if adopted, will not have a significant economic impact on a substantial number of small entities. Therefore, AmeriCorps has not performed the initial regulatory flexibility analysis that is required under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) for rules that are expected to have such results.

#### D. Unfunded Mandates Reform Act of 1995

For purposes of Title II of the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1531–1538, as well as Executive Order 12875, this regulatory action does not contain any Federal mandate that may result in increased expenditures in either Federal, State, local, or Tribal Governments in the aggregate, or impose an annual burden exceeding \$100 million on the private sector.

#### E. Paperwork Reduction Act

Under the Paperwork Reduction Act (PRA), an agency may not conduct or sponsor a collection of information unless the collections of information display valid control numbers. This rule does not include any information collections requiring approval by the Office of Management and Budget.

#### F. Executive Order 13132, Federalism

Executive Order 13132, Federalism, prohibits an agency from publishing any rule that has federalism implications if the rule imposes substantial direct compliance costs on State and local governments and is not required by statute, or the rule preempts State law, unless the agency meets the consultation and funding requirements of section 6 of the Executive order. This rulemaking does not have any federalism implications, as described above.

#### G. Takings (E.O. 12630)

This rule does not affect a taking of private property or otherwise have taking implications under Executive Order 12630 because this rule does not affect individual property rights protected by the Fifth Amendment or involve a compensable “taking.” A takings implication assessment is not required.

#### H. Civil Justice Reform (E.O. 12988)

This rule complies with the requirements of Executive Order 12988. Specifically, this rulemaking: (a) meets the criteria of section 3(a) requiring that all regulations be reviewed to eliminate errors and ambiguity and be written to minimize litigation; and (b) meets the criteria of section 3(b)(2) requiring that all regulations be written in clear language and contain clear legal standards.

#### I. Consultation With Indian Tribes (E.O. 13175)

AmeriCorps recognizes the inherent sovereignty of Indian Tribes and their right to self-governance. We have evaluated this rulemaking under our consultation policy and the criteria in E.O. 13175 and determined that this rule does not impose substantial direct effects on federally recognized Tribes.

#### Subpart C—Programs

##### § 2500.20 Program descriptions.

(a) AmeriCorps operates four main national service programs: AmeriCorps NCCC, AmeriCorps Seniors, AmeriCorps State and National, and AmeriCorps VISTA. Additional information on each of these programs and additional AmeriCorps programs is available at [www.americorps.gov](http://www.americorps.gov).

(1) AmeriCorps NCCC is a full-time residential service program for individuals aged 18 to 24 (unless

otherwise authorized), as defined by statute. Individuals serving in the NCCC program complete team-based service projects that respond to priority national and community needs. AmeriCorps NCCC program staff recruit, train, and manage volunteers (called "members") and partner with organizations that serve as project sponsors. FEMA Corps is a sub-program that AmeriCorps NCCC manages in partnership with the Federal Emergency Management Agency. It places members in service positions to perform disaster public assistance, planning, preparedness, and recovery activities. The NCCC Forest Corps is a sub-program that AmeriCorps NCCC manages in partnership with the U.S. Forest Service. It places members in service positions to perform wildfire mitigation, reforestation, and climate resiliency activities. Finally, NCCC houses the agency's Disaster Services Unit (DSU), the entity which coordinates with FEMA to secure funding to mobilize AmeriCorps NCCC and AmeriCorps State and National members under a federally declared disaster.

(2) AmeriCorps Seniors focuses on providing service opportunities for individuals aged 55 years or older. It operates four national service programs: the Foster Grandparent Program, Senior Companion Program, RSVP, and the Senior Demonstration Program. Under each of these programs, AmeriCorps Seniors provides grants to sponsoring organizations to meet priority national and community needs. The sponsoring organizations then recruit and enlist local volunteers, and address performance measures as required by grant terms and conditions.

(3) AmeriCorps State and National provides grants to States, Territories, Indian Tribes, public and private nonprofit organizations, local governments, and institutions of higher education to carry out national service programs, offering a wide range of service opportunities. In addition to grant funds to support direct programming, AmeriCorps State and National also provides general operating funding for State service commissions.

(4) AmeriCorps VISTA is a program for individuals aged 18 and older to participate in full-time service to strengthen and supplement efforts to eliminate and alleviate poverty and poverty-related problems in the United States. AmeriCorps VISTA partners with local organizations to recruit, select, train, and assign volunteers ("members") to work on projects at a sponsoring organization or one of its project sites.

(b) In addition to its four main national service programs, AmeriCorps also operates several additional programs and activities. These include the Martin Luther King, Jr., Day of Service; the September 11th Day of Service and Remembrance; the Volunteer Generation Fund; and other national service programs that AmeriCorps establishes through agreements with other Federal agencies.

**§ 2500.21 Focus areas.**

Through its programs, AmeriCorps provides funding and volunteer opportunities to address pressing unmet human, educational, environmental,

and public safety needs of the United States, without displacing existing workers, and to meet the additional purposes set out in the national service laws. AmeriCorps' focus areas include, but are not limited to, disaster services, economic opportunity, education, environmental stewardship, healthy futures, and veterans and military families.

**Subpart D—Logos**

**§ 2500.30 Description of logos.**

(a) The AmeriCorps logo (Logo) is the key element in agency identification. It provides a visual representation of the

Agency's role to unite America by bringing people together to serve communities. It is symbolic of the way AmeriCorps members and volunteers lift and improve communities through service and volunteering. This Logo links the graphic communications of all Agency programs.

(b) The Logo is an image of a solid circle containing an A where the right-hand pillar is a solid block line and the left-hand pillar is represented by a flagpole with the flag in motion, appearing to fly from the left to the right and forming the A as the flag intersects with the other pillar. AmeriCorps appears in bold to the right of the mark.

Figure 1 to paragraph (b)

(c) The AmeriCorps Seniors logo (Seniors Logo) identifies the highlighted

AmeriCorps Seniors programs and represents the Agency's commitment to

programs and volunteer opportunities for older Americans.

Figure 2 to paragraph (c)

(d) The Seniors Logo contains the word Seniors beneath AmeriCorps, to the right of the circle containing the A.

**§ 2500.31 Retirement of logos.**

The agency officially retired the day-to-day use of all pre-existing logos,

emblems, and other insignia, except the Days of Service logos, but does not relinquish the legal rights to any retired logos.

**§ 2500.32 Authority to affix logos.**

Restrictions on the use of AmeriCorps logos are found in 45 CFR 2540.500 through 2540.560.
