Abstract of Proposed Collection

The information collected on the DS-82 is used to facilitate the issuance of passports to U.S. citizens and non-citizen nationals. The primary purpose of soliciting the information is to establish citizenship, identity, and entitlement to the issuance of the United States passport or related service, and to properly administer and enforce the laws pertaining to issuance thereof.

Methodology

Passport Services collects information from U.S. citizens and non-citizen nationals when they complete and submit the Application for a U.S. Passport by Mail. Passport applicants can either download the form from the Internet or obtain one from an Acceptance Facility/Passport Agency. The form must be completed, signed and then submitted along with the applicant's previous U.S. passport.

Dated: July 17, 2005.

Ann Barrett,

Acting Deputy Assistant Secretary for Passport Services, Bureau of Consular Affairs, Department of State.
