BILLING CODE 4510-30-M

DEPARTMENT OF LABOR

Office of the Secretary

Submission for OMB Review; Comment Request

August 8, 2002.

The Department of Labor (DOL) has submitted the following public information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). A copy of this ICR, with applicable supporting documentation, may be obtained by calling the Department of Labor. To obtain documentation contact Darrin King on 202-693-4129 or E-Mail: King-Darrin@dol.gov.

Comments should be sent to Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for OSHA, Office of Management and Budget, Room 10235, Washington, DC 20503 (202-395-7316), within 30 days from the date of this publication in the **Federal Register**.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency: Occupational Safety and Health Administration (OSHA).

Type of Review: Extension of a currently approved collection.

Title: Longshoring and Marine Terminal Operations—29 CFR parts 1917 and 1918.

OMB Number: 1218-0196.

Affected Public: Business or other for-profit; Not-for-profit institutions; State, Local, or Tribal Government; and Federal Government.

Frequency: Initially, on occasion, weekly, monthly, and annually.

Type of Response: Recordkeeping and third-party disclosure.

Number of Respondents: 748.

Number of Annual Responses: 149,670.

Average Time Per Response: Varies from 2 minutes to post a warning sign to 8 hours to mark a flat bed and low boy trailer with their cargo capacity.

Total Burden Hours: 36,688.

Total Annualized Capital/Startup Costs: \$0.

Total Annual Costs (operating/maintaining systems or purchasing services): \$0.

Description: 29 CFR parts 1917 and 1918 contain a number of collections of information requirements which are used by employers to ensure that employees are informed properly about the safety and health hazards associated with marine terminal and longshoring operations. These standards contain requirements related to the testing, certification and marking of specific types of cargo lifting appliances and associated cargo handling gear and other cargo handling equipment such as conveyors and industrial trucks. The collections of information required from employers by OSHA are necessary to reduce employee injuries and fatalities associated with cargo lifting gear, transfer of vehicular cargo, manual cargo handling, and exposure to hazardous atmospheres. The Agency uses the records developed in response to a number of the information collection requirements to find out if employers are complying adequately with the provisions of the standards.

Agency: Occupational Safety and Health Administration (OSHA).

Type of Review: Extension of a currently approved collection.

Title: Derricks—29 CFR 1910.181.

OMB Number: 1218-0222.

Affected Public: Business or other for-profit; Not-for-profit institutions; State, Local, or Tribal Government; and Federal Government.

Frequency: On occasion and Monthly.

Type of Response: Recordkeeping and Third-party disclosure.

Number of Respondents: 10,000.

Number of Annual Responses: 115,000.

Average Time Per Response: Varies from 3 minutes (.05 hour) to post or keep information to 15 minutes (.25 hour) to inspect rope and to prepare, maintain, and disclose a certification record.

Total Burden Hours: 28,550.

Total Annualized Capital/Startup Costs: \$0.

Total Annual Costs (operating/maintaining systems or purchasing services): \$0.

Description: 29 CFR 1910.181, the Derricks Standard, specifies two paperwork requirements. The following sections describe who uses the information collected under each requirement, as well as how they use it. The purposes of these requirements is to prevent death and serious injuries to employees by ensuring that the derrick is not used to lift loads beyond its rated capacity and that all the ropes are inspected for wear and tear.

Paragraph (c)(1) requires that for permanently installed derricks a clearly legible rating chart be provided with each derrick and securely affixed to the derrick. Paragraph (c)(2) requires that for non-permanent installations, the manufacturer provide sufficient information from which capacity charts can be prepared by the employer for the particular installation. The capacity charts must be located at the derrick or at the jobsite office. The data on the capacity charts provide information to the employees to assure that the derricks are used as designed and not overloaded or used beyond the range specified in the charts.

Paragraph (g)(1) requires employers to thoroughly inspect all running rope in use, and to do so at least once a month. In addition, before using rope, which has been idle for at least a month, it must be inspected as prescribed by paragraph (g)(3) and a record prepared to certify that the inspection was done. The certification records must include the inspection date, the signature of the person conducting the inspection, and the identifier of the rope inspected. Employers must keep the certification records on file and available for inspection. The certification records provide employers, employees, and OSHA compliance officers with assurance that the ropes are in good condition.

BILLING CODE 4510-30-M

DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

[Exemption Application No. D-10959]

Prohibited Transaction Exemption 2002-37; et al.; Grant of Individual Exemptions; Adams Wood Products, Inc. Profit Sharing Plan (the Plan)

AGENCY: Pension and Welfare Benefits Administration, Labor.

ACTION: Grant of individual exemption.

SUMMARY: This document contains exemptions issued by the Department of Labor (the Department) from certain of the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (the Act) and/or the Internal Revenue Code of 1986 (the Code).

A notice was published in the **Federal Register** of the pendency before the Department of a proposal to grant such exemption. The notice set forth a summary of facts and representations contained in the application for exemption and referred interested persons to the application for a complete statement of the facts and representations. The application has been available for public inspection at the Department in Washington, DC. The notice also invited interested persons to submit comments on the requested exemption to the Department. In addition the notice stated that any interested person might submit a written request that a public hearing be held (where appropriate). The applicant has represented that it has complied with the requirements of the notification to interested persons. No requests for a hearing were received by the Department. Public comments were received by the Department as described in the granted exemption.

The notice of proposed exemption was issued and the exemption is being granted solely by the Department because, effective December 31, 1978,

section 102 of Reorganization Plan No. 4 of 1978, 5 U.S.C. App. 1 (1996), transferred the authority of the Secretary of the Treasury to issue exemptions of the type proposed to the Secretary of Labor.

Statutory Findings

In accordance with section 408(a) of the Act and/or section 4975(c)(2) of the Code and the procedures set forth in 29 CFR part 2570, subpart B (55 FR 32836, 32847, August 10, 1990) and based upon the entire record, the Department makes the following findings:

(a) The exemption is administratively feasible;

(b) The exemption is in the interests of the plan and its participants and beneficiaries; and

(c) The exemption is protective of the rights of the participants and beneficiaries of the plan.

Adams Wood Products, Inc. Profit Sharing Plan (the Plan), Located in Morristown, Tennessee

[Prohibited Transaction Exemption 2002-37; Exemption Application No. D-10959]

Exemption

The restrictions of sections 406(a), 406(b)(1) and (b)(2) of the Act and the sanctions resulting from the application of section 4975 of the Code, by reason of section 4975(c)(1)(A) through (E) of the Code, shall not apply to: (1) a non-interest bearing loan (the Loan) by Adams Wood Products, Inc. (AWP), the Plan sponsor, to the Plan to reimburse the Plan for losses incurred concerning past investments by the Plan in certain promissory notes (the Notes); and (2) the potential repayment by the Plan to AWP of certain moneys if the Plan recovers any of the investments in the Notes. This exemption is subject to the following conditions:

(a) The Plan pays no interest nor incurs any other expense relating to the Loan;

(b) The amount of the Loan includes the following:

(1) \$340,187.38, which represents the amount due on the consolidated note (the Consolidated Note) on June 30, 2000;

(2) opportunity costs as follows: (a) the amount due on the Consolidated Note from June 30, 2000, the last date when the Plan received interest on the Consolidated Note to January 26, 2001, the date when AWP placed funds in Certificates of Deposit (CDs); and (b) an additional amount yet to be determined to provide the Plan with an identical rate of return as AWP received as a result of AWP's investment in the CDs for the period between January 26, 2001
