### Oil Country Tubular Goods From India: Final Results of Antidumping Duty Administrative Review; 2022–2023

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that oil country tubular goods (OCTG) from India is not being sold in the United States at less than normal value during the period of review (POR), September 1, 2022, through August 31, 2023.

**DATES:** Applicable May 13, 2025. FOR FURTHER INFORMATION CONTACT:

Brian Warnes, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0028.

#### SUPPLEMENTARY INFORMATION:

### **Background**

On October 10, 2024, Commerce published in the **Federal Register** the *Preliminary Results* of the 2022–2023 administrative review of the antidumping duty order on OCTG from India.¹ We invited interested parties to comment on the *Preliminary Results*; however, no interested party submitted comments. Accordingly, the final results of this review remain unchanged from the *Preliminary Results* and no memoranda accompany this notice.

#### Scope of the Order 2

The merchandise subject to the Order is certain tubular goods from India. For

a full description of the scope, *see* the Preliminary Decision Memorandum.

#### Final Results of Review

Commerce determines the following estimated weighted average dumping margin exists for the period September 1, 2022 to August 31, 2023:

Producer/exporter	Weighted- average dumping margin (percent)
Surya Roshni, Limited	0.00

#### **Disclosure**

Normally, Commerce will disclose to the parties in a proceeding the calculations performed in connection with the final results of review within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because we have made no changes from the *Preliminary Results*, there are no new calculations to disclose.

#### Assessment Rates

Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries in this review, in accordance with section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.212(b)(1). Because we calculated a zero percent margin in the final results of this review for Surya, in accordance with 19 CFR 351.212, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce intends to issue appropriate assessment instructions directly to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

## **Cash Deposit Requirements**

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Surya will be zero, the rate established in the final results

of this review; (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the companyspecific rate published for the most recent period; (3) if the exporter is not a firm covered in this or any previous review or in the original less-than-fairvalue (LTFV) investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review or the LTFV investigation, the cash deposit rate will continue to be the allothers rate of zero percent, which is the all-others rate established by Commerce in the LTFV investigation.<sup>3</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### **Notification to Importers**

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

## **Administrative Protective Order (APO)**

This notice also serves as a reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

#### **Notification to Interested Parties**

These results are being issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).
