The proposed amendment to article 33 (f) would allow the licensee to delay up to one month (from June 1 to July 1) the placement of flashboards at North Battle Creek dam when late runoff or heavy snowpack precludes road access to the dam by truck. During such years, the licensee would install flashboards as soon as roads are passable by truck; and would notify the Forest supervisor of Lassen National Forest five business days prior to June 1 and, subsequently, once the reservoir is at or above 1,039-acre-feet.
