Polyethylene Retail Carrier Bags From the People's Republic of China: Final Determination of No Shipments; 2020–2021

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that Dongguan Nozawa Plastics Products Co., Ltd. and United Power Packaging, Ltd. (collectively, Nozawa), had no shipments of polyethylene retail carrier bags (PRCB) from the People's Republic of China (China) to the United States during the period of review (POR), August 1, 2020, through July 31, 2021.

DATES: Applicable June 13, 2022.

FOR FURTHER INFORMATION CONTACT: Claudia Cott, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4270.

SUPPLEMENTARY INFORMATION:

Background

On April 19, 2022, Commerce published the *Preliminary Results* of the 2020–2021 administrative review of the antidumping duty order on PRCBs from China.¹ We invited parties to comment on the *Preliminary Results*.² No party

² *Id.*

submitted comments or requested that a hearing be held.

Commerce conducted this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order³

The products covered by the *Order* are PRCBs which may be referred to as t-shirt sacks, merchandise bags, grocery bags, or checkout bags. The subject merchandise is defined as non-sealable sacks and bags with handles (including drawstrings), without zippers or integral extruded closures, with or without gussets, with or without printing, of polyethylene film having a thickness no greater than 0.035 inch (0.889 mm) and no less than 0.00035 inch (0.00889 mm), and with no length or width shorter than 6 inches (15.24 cm) or longer than 40 inches (101.6 cm). The depth of the bag may be shorter than 6 inches but not longer than 40 inches (101.6 cm).

PRCBs are typically provided without any consumer packaging and free of charge by retail establishments, *e.g.*, grocery, drug, convenience, department, specialty retail, discount stores, and restaurants, to their customers to package and carry their purchased products. The scope of the *Order* excludes (1) polyethylene bags that are not printed with logos or store names and that are closeable with drawstrings made of polyethylene film and (2) polyethylene bags that are packed in consumer packaging with printing that refers to specific end-uses other than packaging and carrying merchandise from retail establishments, *e.g.*, garbage bags, lawn bags, trash-can liners.

Imports of the subject merchandise are currently classifiable under statistical category 3923.21.0090 of the Harmonized Tariff Schedule of the United States (HTSUS). This subheading also covers products that are outside the scope of this *Order*. Furthermore, although the HTSUS subheading is provided for convenience and customs purposes, our written description of the scope of this *Order* is dispositive.

Final Determination of No Shipments

In the *Preliminary Results*, Commerce preliminarily determined that Nozawa had no shipments of subject merchandise during the POR.⁴ We received no comments from interested parties with respect to this claim. Therefore, because we have not received

any information to contradict our preliminary no-shipments determination, nor any comment in opposition to our preliminary finding, Commerce continues to find that Nozawa had no shipments during the POR.

China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.⁵ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, and we did not self-initiate a review, the China-wide entity rate (*i.e.*, 77.57 percent)⁶ is not subject to change as a result of this review.

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with the preliminary results within five days of the public announcement, or if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). However, Commerce did not calculate a weighted-average dumping margin for Nozawa, the sole mandatory respondent remaining in this review,⁷ nor for the China-wide entity. Therefore, there are no calculations to disclose for these final results.

Assessment Rates

Because we have determined that Nozawa had no shipments of subject merchandise in this review, Commerce will instruct U.S. Customs and Border Protection (CBP) to liquidate any suspended entries that entered under Nozawa's case number (*i.e.*, at Nozawa's cash deposit rate) at the China-wide entity rate (*i.e.*, 77.57 percent).⁸

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S.

Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of PRCBs from China entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review in the **Federal Register**, as provided by section 751(a)(2) of the Act: (1) for previously investigated or reviewed Chinese and non-Chinese exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 77.57 percent); and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter(s) that supplied that non-Chinese exporter (or, if unidentified, that of the China-wide entity). These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the

Pure Magnesium From the People's Republic of China: Final Results of Expedited Fifth Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this expedited sunset review, the Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) order on pure magnesium from the People's Republic of China (China) would be likely to lead to continuation or recurrence of dumping at the levels indicated in the “Final Results of Review” section of this notice.

DATES: Applicable June 13, 2022.

FOR FURTHER INFORMATION CONTACT: John Conniff, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1009.

SUPPLEMENTARY INFORMATION:

Background

On March 1, 2022, Commerce published the notice of initiation of the sunset review of the AD order on pure magnesium from China,¹ pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On March 7,

¹ See *Notice of Antidumping Duty Order: Pure Magnesium from the People's Republic of China, the Russian Federation and Ukraine; Notice of Amended Final Determination of Sales at Less Than Fair Value: Antidumping Duty Investigation of Pure Magnesium from the Russian Federation*, 60 FR 25691 (May 12, 1995) (*Order*).

² See *Initiation of Five-Year (Sunset) Review*, 87 FR 11416 (March 1, 2022).

2022, Commerce received a notice of intent to participate from US Magnesium LLC (US Magnesium), a domestic interested party, within the deadline specified in 19 CFR 351.218(d)(1)(i).³ US Magnesium claimed domestic interested party status under section 771(9)(C) of the Act, as a manufacturer of domestic like product in the United States.⁴ On March 21, 2022, US Magnesium submitted a timely substantive response within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁵ Commerce did not receive a substantive response from any other interested parties with respect to the *Order* covered by this sunset review, nor was a hearing requested. On April 20, 2022, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties.⁶ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce is conducting an expedited (120-day) sunset review of the *Order*.

Scope of the Order

The product covered by the *Order* is pure magnesium from China. For a full description of the scope, see the Issues and Decision Memorandum.⁷

Analysis of Comments Received

All issues raised in this sunset review are addressed in the Issues and Decision Memorandum, including the likelihood of continuation or recurrence of dumping and the magnitude of the margins of dumping likely to prevail if the *Order* were revoked. A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. Final Results of Sunset Review

Pursuant to sections 751(c) and 752(c) of the Act, Commerce determines that revocation of the *Order* would be likely to lead to continuation or recurrence of dumping, and that the magnitude of the dumping margins likely to prevail would be weighted-average margins of up to 108.26 percent.

Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). Timely notification of the destruction of APO materials or conversion to judicial protective orders is hereby requested.
