

SUPPLEMENTARY INFORMATION:**Background**

The Animal and Plant Health Inspection Service (APHIS) is proposing to issue permits for the release of an insect, *Lilioceris egea*, into the continental United States for use as a biological control agent to reduce the severity of air potato (*Dioscorea bulbifera*) infestations.

Air potato is an herbaceous, twining vine that can grow 65 feet long or more, capable of climbing and out-competing native vegetation. Since its introduction to Florida in 1905, air potato has aggressively spread throughout the State; this species is reportedly naturalized in Georgia, Alabama, Mississippi, Louisiana, Texas, and Hawaii. In 1999, the Florida Department of Agricultural and Consumer Services added air potato to its list of noxious weeds in an attempt to protect the State's native plant species from being displaced or hybridized. Presently, the air potato is well established in Florida and probably throughout the Gulf States where it has the potential to severely disrupt entire ecosystems.

Existing air potato management options, which include chemical and mechanical control methods, are ineffective, expensive, temporary, or have non-target impacts. Thus, a permit application has been submitted to APHIS for the purpose of releasing an insect, *L. egea*, into the continental United States for use as a biological control agent to reduce the severity of air potato infestations.

APHIS' review and analysis of the proposed action are documented in detail in an environmental assessment (EA) titled "Field Release of the Beetle *Lilioceris egea* (Coleoptera: Chrysomelidae) for Classical Biological Control of Air Potato, *Dioscorea bulbifera* (Dioscoreaceae), in the Continental United States" (October 2019). We are making the EA available to the public for review and comment. We will consider all comments that we receive on or before the date listed under the heading **DATES** at the beginning of this notice.

The EA may be viewed on the [Regulations.gov](https://www.regulations.gov) website or in our reading room (see **ADDRESSES** above for instructions for accessing [Regulations.gov](https://www.regulations.gov) and information on the location and hours of the reading room). You may request paper copies of the EA by calling or writing to the person listed under **FOR FURTHER INFORMATION**.

CONTACT. Please refer to the title of the EA when requesting copies.

The EA has been prepared in accordance with: (1) The National

Environmental Policy Act of 1969 (NEPA), as amended (42 U.S.C. 4321 *et seq.*), (2) regulations of the Council on Environmental Quality for implementing the procedural provisions of NEPA (40 CFR parts 1500–1508), (3) USDA regulations implementing NEPA (7 CFR part 1b), and (4) APHIS NEPA Implementing Procedures (7 CFR part 372).

Done in Washington, DC, this 4th day of January 2021.

SUPPLEMENTARY INFORMATION: The Secretary of Commerce and the Director of the National Economic Council, together with the Planalto Casa Civil Minister (Presidential Chief of Staff) and the Brazilian Minister of Industry, Foreign Trade & Services, co-chair the U.S.-Brazil CEO Forum (Forum), pursuant to the Terms of Reference signed in March 2007 by the U.S. and Brazilian governments, as amended, which set forth the objectives and structure of the Forum. The Terms of

Reference may be viewed at: <http://www.trade.gov/ceo-forum/>. The Forum, consisting of both private and public sector members, brings together leaders of the respective business communities of the United States and Brazil to discuss issues of mutual interest, particularly ways to strengthen the economic and commercial ties between the two countries. The Forum consists of the U.S. and Brazilian Government co-chairs and a Committee comprised of private sector members. The Committee is composed of two Sections, each consisting of approximately ten to twelve members from the private sector, representing the views and interests of the private sector business community in the United States and Brazil. Each government appoints the members to its respective Section. The Committee provides joint recommendations to the two governments that reflect private sector views, needs and concerns regarding the creation of an economic environment in which their respective private sectors can partner, thrive and enhance bilateral commercial ties to expand trade between the United States and Brazil.

This notice seeks candidates to fill up to three positions on the U.S. Section of the Forum as well as any future vacancies that may arise before November 30, 2021. The U.S. Section of the Forum should also include members that represent a diversity of business sectors and geographic locations. To the extent possible, U.S. Section members also should represent a cross-section of small, medium, and large firms.

U.S. members will receive no compensation for their participation in Forum-related activities. Individual members will be responsible for all travel and related expenses associated with their participation in the Forum, including attendance at Committee and Section meetings. Only appointed members may participate in official Forum meetings; substitutes and alternates will not be designated. According to the current Terms of Reference, members are normally to serve three-year terms, but may be reappointed.
