accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104–13, May 22, 1995 and 5 CFR part 1320). This notice announces that the NMB has submitted to the Office of Management and Budget a request for clearance of six (6) information collections.

Each proposed information collection contains the following: (1) Type of review requested, *e.g.* new, revision extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Record keeping burden. Request for Arbitration Panel for Airline System Boards of Adjustment

Frequency: On occasion.

Affected Public: Airline Carrier and Union Officials.

Reporting and Recordkeeping Hour Burden:

Responses: Estimate about 80 annually.
Burden Hours: 20.

Abstract: Section 183 of the Railway Labor Act, 45 U.S.C., 183, provides that the parties to the labor-management disputes in the airline industry must

have a procedure for the resolution of disputes involving the interpretation or application of provisions of the collective bargaining agreement. The Railway Labor Act mentions system board of adjustment or arbitration boards as the mechanism for resolution and is silent as to how the neutral arbitrator is to be selected if the parties are unable to agree on an individual. The National Mediation Board provides panels of arbitrators to help the parties in their selection of an arbitrator.

This form is necessary to assist the parties in this process. The parties invoke the process through the submission of this form. The brief information is necessary for the NMB to perform this important function.

The NMB maintains a roster of arbitrators for this purpose. The NMB must have a means for interested individuals to apply for inclusion on this roster. This form is the application for inclusion on the NMB roster. The brief information that the NMB solicits is necessary to perform this responsibility under the Railway Labor Act.
