Expiration Date: 07/31/2011.

Type of Request: Revision of a Currently Approved Collection Form.

Abstract: FNS administers the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) by awarding cash grants to State agencies (generally State health departments). The State agencies award subgrants to local agencies (generally local health departments and nonprofit organizations) to deliver program benefits and services to eligible participants. FNS maintains a WIC Local Agency Directory which lists the names and addresses of all WIC local agencies. WIC State and local agencies and FNS use the directory to refer individuals to the nearest source of WIC Program services and to maintain continuity of program services to migrant and other transient participants. It is also used as a mailing list to provide local agencies with technical assistance manuals and other information. State agencies complete the WIC Local Agency Directory Report Form FNS-648 to inform FNS when a local agency is newly established, closed or changes its address. This data is needed to keep the directory current. The number of WIC State Agencies reporting remains at 90.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 0.17 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Respondents: Directors or Administrators of WIC State agencies.

Estimated Number of Respondents: 90 respondents.

Estimated Number of Responses per Respondent: One.

Estimated Total Annual Burden on Respondents: 15.3 hours.

Dated: October 14, 2010.

Administrator, Food and Nutrition Service.
