SUPPLEMENTARY INFORMATION:

I. Background

In the **Federal Register** of June 17, 2010 (75 FR 34463), FDA published a notice announcing a public meeting on July 19 and 20, 2010, and the opening of a public docket to seek input and comments from interested stakeholders to discuss the agency's oversight of LDTs. Interested persons were originally given until August 15, 2010, to comment on information.

II. Request for Comments

Following publication of the June 17, 2010, notice, FDA received a request to allow interested persons additional time to comment. III. How to Submit Comments

Interested persons may submit to the Division of Dockets Management (see **ADDRESSES**) either electronic or written comments regarding this document. It is only necessary to send one set of comments. It is no longer necessary to send two copies of mailed comments. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.
