

service in August 1998, (5) a revision to Transco's revenue sharing provisions related to Rate Schedules ISS, ICTS, and PBS, (6) the allocation of 100% of the costs of the capacity formerly used to provide the Rate Schedule X-140 service to Mid-Louisiana Gas Company to non-incrementally priced transportation services, and (7) the elimination of the Mobile Bay "at risk" condition.

Transco states that the instant filing also proposes on a prospective only basis the following changes to pre-filed methods: (1) To roll-in the costs of its SunBelt, Pocono and Cherokee expansion transmission facilities, which are currently subject to incremental pricing, and (2) the amendment of its transmission electric power tracking mechanism in Section 41 of the General Terms and Conditions of Transco's FERC Gas Tariff to include costs associated with the operation of gas coolers at Transco's various compressor station locations, which amendment is reflected in a pro forma tariff sheet included with the filing.

Transco states that copies of the filing are being mailed to each of its affected customers, interested State Commissions, and other interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. #### Transcontinental Gas Pipe Line Corporation; Notice of Tariff Filing

March 6, 2001.

Take notice that on March 1, 2001 Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, certain revised tariff sheets which sheets are enumerated in Appendix A attached to the filing, with an effective date of April 1, 2001.

Transco states that the instant filing is submitted pursuant to section 38 of the General Terms and Conditions of Transco's FERC Gas Tariff which provides that Transco will file, to be effective each April 1, a redetermination of its fuel retention percentages applicable to transportation and storage rate schedules. The derivations of the revised fuel retention percentages included therein are based on Transco's estimate of gas required for operations (GRO) for the forthcoming annual period April 2001 through March 2002 plus the balance accumulated in the Deferred GRO Account at January 31, 2001.

Transco states that included in the filing is an increase of 3.52 MMDt in the estimated GRO for the forthcoming annual period due to the results of an inventory verification study conducted in 2000 at Transco's Eminence Storage Facility, a salt-cavern storage facility located in Mississippi. Appendix B attached to the filing contains workpapers supporting the derivation of the revised fuel retention factors contained therein.

Transco states that copies of the filing are being mailed to its affected customers and interested State Commissions.

Any person desiring to be heard or protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies

#### Twelvepole Creek, LLC, Notice of Issuance of Order

March 6, 2001.

Twelvepole Creek, LLC (Twelvepole) submitted for filing a rate schedule under which Twelvepole will engage in wholesale electric power and energy transactions at market-based rates. Twelvepole also requested waiver of various Commission regulations. In particular, Twelvepole requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Twelvepole.

On February 21, 2001, pursuant to delegated authority, the Director, Division of Corporate Applications, Office of Markets, Tariffs and Rates, granted requests for blanket approval under part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Twelvepole should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard within this period, Twelvepole is authorized to issue securities and assume obligations

or liabilities as a guarantor, endorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Twelvepole's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is March 23, 2001.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (202-208-2222 for assistance).
