Distribution of Fiscal Year 2001 Indian Reservation Roads Funds

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Final rule.

SUMMARY: We are issuing a final rule requiring that we distribute the remaining 25 percent of fiscal year 2001 Indian Reservation Roads (IRR) funds to projects on or near Indian reservations using the relative need formula. We are using the Federal Highway Administration (FHWA) Price Trends report for the relative need formula distribution process, with appropriate modifications to address non-reporting states. Up to \$35,000 per tribe is available under this distribution until August 15, 2001, for administrative capacity building and other eligible transportation activities upon receipt, review, and approval of self-determination contracts and self-governance agreements, where applicable, and receipt of tribal requests by direct services tribes for BIA regions to perform these functions for them. We are extending the deadline for applying for these funds from March 15, 2001, to May 15, 2001.

EFFECTIVE DATE: March 29, 2001. Section 170.4b expires September 30, 2001.

SUPPLEMENTARY INFORMATION:

Background

Where Can I Find General Background Information on the Indian Reservation Roads (IRR) Program, the Relative Need Formula, the Federal Highway Administration (FHWA) Price Trends Report, and the Transportation Equity Act for the 21st Century (TEA-21) Negotiated Rulemaking Process?

The background information on the IRR program, the relative need formula,

the FHWA Price Trends Report, and the TEA-21 Negotiated Rulemaking process is detailed in the **Federal Register** notice dated February 15, 2000 (65 FR 7431). You may obtain additional information on the IRR program web site at <http://www.irr.bia.gov>.

Why Are You Publishing This Final Rule?

We are publishing this final rule only for the distribution of the remaining 25 percent of fiscal year 2001 IRR funds. This rule sets no precedent for the final rule to be published as required by Section 1115 of TEA-21. On January 9, 2001, we published a temporary rule distributing 75 percent of fiscal year 2001 IRR funds (66 FR 1576).

Where Can I Find Information on the Distribution of 75 Percent of Fiscal Year 2001 IRR Funds?

You can find this information in the **Federal Register** notice dated January 9, 2001 (66 FR 1576).

What Comments Did You Receive on the Temporary Rule for Distribution of 25 Percent of Fiscal Year 2001 IRR Program Funds?

In the 30-day comment period after publication of the temporary rule distributing 75 percent of fiscal year 2001 IRR program funds, we received comments from 84 commenters. We have reviewed and considered these comments on distributing the remaining 25 percent of fiscal year 2001 IRR program funds.

Many commenters referred to "the [TEA-21] Negotiated Rulemaking Committee's consensus" on IRR funding for fiscal year 2001. The full committee did not consider or come to a consensus on this funding. Rather, the tribal caucus came to consensus and made written recommendations for fiscal year 2001 IRR funding to the Assistant Secretary—Indian Affairs, as requested by the Assistant Secretary. The Assistant Secretary considered the recommendations and implemented almost all of them, except for specific items for which the Department's legal review required changes.

Comment: Eight commenters objected to the Secretary's reserving \$19.53 million for administrative capacity building and other transportation activities out of the second 25 percent distribution rather than out of the first 75 percent distribution. Their objection
