

consultation, we intend to waive scoping and expedite the exemption process. Commission staff determined that the issues that need to be addressed in the environmental document have been adequately identified during the pre-filing period, which included a public meeting and site visit, and no new issues are likely to be identified through additional scoping. Staff's environmental document will evaluate the potential effects of project construction and operation on geology and soils, aquatic, terrestrial, threatened and endangered species, recreation, land use, aesthetic, cultural, and developmental resources.

n. A copy of the application can be viewed on the Commission's website at <https://www.ferc.gov> using the "eLibrary" link. o. Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

p. Any qualified applicant desiring to file a competing application must submit to the Commission, on or before the specified intervention deadline date, a competing development application, or a notice of intent to file such an application. Submission of a timely notice of intent allows an interested person to file the competing development application no later than 120 days after the specified intervention deadline date. Applications for preliminary permits will not be accepted in response to this notice.

A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit a development application. A notice of intent must be served on the applicant(s) named in this public notice.

q. All filings must (1) bear in all capital letters the title "PROTEST",

"MOTION TO INTERVENE", "NOTICE OF INTENT TO FILE COMPETING APPLICATION," "COMPETING APPLICATION," "COMMENTS," "REPLY COMMENTS," "RECOMMENDATIONS," or "TERMS AND CONDITIONS;" (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name of the person submitting the filing; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, recommendations, or terms and conditions must set forth their evidentiary basis and otherwise comply with the requirements of 18 CFR 4.34(b). Agencies may obtain copies of the application directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. A copy of all other filings in reference to this application must be accompanied by proof of service on all persons listed on the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 4.34(b) and 385.2010.

The Commission's Office of Public Participation (OPP) supports meaningful public engagement and participation in Commission proceedings. OPP can help members of the public, including landowners, community organizations, Tribal members and others, access publicly available information and navigate Commission processes. For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, the public is encouraged to contact OPP at (202) 502-6595 or OPP@ferc.gov.

r. The applicant must file no later than 60 days following the date of issuance of this notice: (1) a copy of the water quality certification; (2) a copy of the request for certification, including proof of the date on which the certifying agency received the request; or (3) evidence of waiver of water quality certification.

s. Final amendments to the application must be filed with the Commission no later than 30 days from the issuance date of this notice.

Dated: March 13, 2025.

PE Hydro Generation, LLC; Notice of Reasonable Period of Time for Water Quality Certification Application

On February 28, 2025, PE Hydro Generation, LLC (PE Hydro) submitted to the Federal Energy Regulatory Commission (Commission) documentation from Virginia Department of Environmental Quality (Virginia DEQ) that it received PE Hydro's request for a Clean Water Act section 401(a)(1) water quality certification as required by 40 CFR 121.5, for the above captioned project on December 17, 2024. Pursuant to section [4.34(b)(5), 5.23(b), 153.4, or 157.22] of the Commission's regulations,¹ we hereby notify Virginia DEQ of the following:

Date of Receipt of the Certification Request: December 17, 2024.

Reasonable Period of Time to Act on the Certification Request: One year, December 17, 2025.

If Virginia DEQ fails or refuses to act on the water quality certification request on or before the above date, then the certifying authority is deemed waived pursuant to section 401(a)(1) of the Clean Water Act, 33 U.S.C. 1341(a)(1).

Dated: March 12, 2025.

Debbie-Anne A. Reese,
Secretary.
