SUPPLEMENTARY INFORMATION:

I. Background

This draft guidance recommends data and labeling that manufacturers should submit in support of substantial equivalence for prescription use drugs of abuse assays. The recommendations and general principles in this draft guidance are provided to assist manufacturers in the preparation of premarket notifications (510(k)s) for these devices. This document will supersede the document, "Review Criteria for Assessment of In Vitro Diagnostic Devices for Drugs of Abuse Assays Using Various Methodologies," August 31, 1995. This draft guidance explains the types of studies to conduct and how to present the study data in greater detail than the document it is replacing.

II. Significance of Guidance

This draft guidance represents the agency's current thinking regarding data and labeling for prescription use drugs of abuse device submissions for 510(k) clearance. It does not create or confer any rights for or on any person and does not operate to bind FDA or the public. An alternative approach may be used if such approach satisfies the applicable statute, regulations, or both.

The agency has adopted good guidance practices (GGP's) and published the final rule, which set forth the agency's regulations for the development, issuance, and use of guidance documents (65 FR 56468, September 19, 2000). This guidance document is issued as a Level 1 draft guidance consistent with the GGP's.

III. Electronic Access

In order to receive the draft guidance entitled "Guidance for Prescription Use Drugs of Abuse Assays Premarket Notifications" via your fax machine, call the CDRH Facts-On-Demand system at 800-899-0381 or 301-827-0111 from a

touch-tone telephone. Press 1 to enter the system. At the second voice prompt press 1 to order a document. Enter the document number (152) followed by the pound sign (#). Follow the remaining voice prompts to complete your request.

Persons interested in obtaining a copy of the guidance may also do so using the Internet. The Center for Devices and Radiological Health (CDRH) maintains an entry on the Internet for easy access to information including text, graphics, and files that may be downloaded to a personal computer with access to the Internet. Updated on a regular basis, the CDRH home page includes the civil money penalty guidance documents package, device safety alerts, **Federal Register** reprints, information on premarket submissions (including lists of approved applications and manufacturers' addresses), small manufacturers' assistance, information on video conferencing and electronic submissions, mammography matters, and other device-oriented information. The CDRH home page may be accessed at <http://www.fda.gov/cdrh>. "Guidance for Prescription Use Drugs of Abuse Assays Premarket Notifications" will be available at <http://www.fda.gov/cdrh/ode/guidance/152.pdf>.

IV. Comments

Interested persons may submit to Dockets Management Branch (address above) written comments regarding this draft guidance by February 12, 2001. Two copies of any comments are to be submitted, except individuals may submit one copy. Comments are to be identified with the docket number found in brackets in the heading of this document. The draft guidance and received comments may be seen in the Dockets Management Branch between 9 a.m. and 4 p.m., Monday through Friday.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of Inspector General

Program Exclusions: October 2000

AGENCY: Office of Inspector General, HHS.

ACTION: Notice of program exclusions.

During the month of October 2000, the HHS Office of Inspector General

imposed exclusions in the cases set forth below. When an exclusion is imposed, no program payment is made to anyone for any items or services (other than an emergency item or service not provided in a hospital emergency room) furnished, ordered or prescribed by an excluded party under the Medicare, Medicaid, and all Federal Health Care programs.

In addition, no program payment is made to any business or facility, e.g., a hospital, that submits bills for payment for items or services provided by an excluded party. Program beneficiaries remain free to decide for themselves whether they will continue to use the services of an excluded party even though no program payments will be made for items and services provided by that excluded party. The exclusions have national effect and also apply to all Executive Branch procurement and non-procurement programs and activities.

DEPARTMENT OF THE INTERIOR

Notice of Intent To Negotiate Agreements Among the Central Utah Water Conservancy District, Sanpete Water Conservancy District, Sanpete County, and Department of the Interior for Implementation of Projects in Sanpete County, UT

AGENCY: Office of the Assistant Secretary—Water and Science, Department of the Interior.

ACTION: Notice of intent to negotiate agreements among the Central Utah Water Conservancy District (CUWCD), Sanpete Water Conservancy District, Sanpete County, and the Department of the Interior for implementation of Projects in Sanpete County, Utah.

SUMMARY: Public Law 102-575, Section 206(a)(1) provides:

After two years from the date of enactment of this Act, the District shall, at the option of an eligible county as provided in paragraph (2), rebate to such county all of the ad valorem tax contributions paid by such county to the District, with interest but less the value of any benefits received by such county and less the administrative expenses incurred by the District to that date.

Sanpete County desires to pursue local water development projects and is requesting a rebate of a portion of the ad valorem taxes it has paid to CUWCD, plus interest, to provide the required 35 percent local funding for such projects.

In a letter dated October 7, 1996, Sanpete County requested federal funding, equal to 65 percent of the costs as set forth in section 206(b)(1), to implement the projects. Section 206(b)(1) states:

Upon the request of any eligible county that elects not to participate in the project as provided in subsection (a), the Secretary shall provide as a grant to such county an amount that, when matched with the rebate received by such county, shall constitute 65 percent of the cost of implementation of measures identified in paragraph (2).

Sanpete County, located within the Sevier River Basin in Central Utah, is requesting federal funding for the Mayfield New Well Project and the Axtell Culinary Water System Improvement Project. Both projects are municipal improvement projects intended to increase the reliability and stability of their existing culinary water systems. Two agreements will be negotiated—one to provide funding for the Mayfield Project and the other for the Axtell Project.

DATES: Dates for public negotiation sessions will be announced in local newspapers.

FOR FURTHER INFORMATION CONTACT: Additional information on matters related to this **Federal Register** notice can be obtained at the address and telephone number set forth below: Reed Murray, CUP Completion Act Office, Department of the Interior, 302 East 1860 South, Provo, UT 84606-6154, (801) 379-1237, rmurray@uc.usbr.gov.
