

and open market and a national market system and, in general, protect investors and the public interest by updating Rule 7.44(j) to provide for the dissemination of the Retail Liquidity Identifier for RPI Orders on the UTP Quote Data Feed. The proposed change would ensure that the Retail Liquidity Identifier would also be disseminated as appropriate for RPI Orders in securities traded on the Exchange pursuant to unlisted trading privileges.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed change could promote competition by permitting RPI Orders in all securities traded on the Exchange, thereby supporting price improvement opportunities for retail investors. The Exchange further believes that the proposed expansion of the Program to include all securities traded on the Exchange would promote competition between the Exchange and other exchanges that offer retail price improvement programs for which all securities traded on such exchanges are eligible to participate.¹⁴

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁵ and Rule 19b-4(f)(6) thereunder.¹⁶ Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section

19(b)(3)(A)(iii) of the Act¹⁷ and Rule 19b-4(f)(6)(iii) thereunder.¹⁸

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁹ of the Act to determine whether the proposed rule change should be approved or disapproved.
