SUPPLEMENTARY INFORMATION:

History

In a final rule published in the **Federal Register** July 23, 1997 (62 FR 39430) Airspace Docket 97-ASO-7, the airspace description for North Perry Airport, Hollywood, FL, incorrectly referenced the Miami, FL, Class B airspace area exclusion as Class D airspace area. This action corrects that error.

The FAAs National Aeronautical Charting Office correctly charted the Class B airspace area exclusion. Accordingly, since this is an administrative change, and does not involve a change in the dimensions or

operating requirements of that airspace, notice and public procedures under 5 U.S.C. 553 (b) are unnecessary.
