

Use of the Information

The Access Board enforces the ABA by investigating complaints submitted by members of the public concerning particular buildings or facilities designed, altered, or built, by or on behalf of, or leased by, federal agencies, or financed by federal funds. Complaints can currently be submitted by email, mail or fax. The proposed on-line complaint form will allow complainants to submit ABA complaints electronically and receive notification that their complaint has been received, together with the complaint number for them to use when making inquiries about the status of their complaint. The Access Board is not requiring all complaints to be submitted using the on-line complaint form; the Access Board will continue to accept complaints submitted by email, mail, or fax.

Complainants must submit in writing the name and address of the building or facility and a brief description of each barrier to accessibility they have found at the building or facility. Additional information about the facility, such as when it was built or known sources of federal funding, is helpful but not necessary. Personal information, including the complainant's name, address, phone number and email address is optional and, where provided, is not disclosed without written permission from the complainant. The new on-line complaint form will prompt complainants to provide the information necessary for Access Board staff to initiate an investigation into a complaint. In addition, complainants will be able to attach electronic files containing pictures, drawings, or other relevant documents to the on-line complaint form when it is filed. The Access Board anticipates that use of the on-line complaint form will improve the completeness of the information included in complaints that are submitted for investigation, and this will expedite processing of complaints. In addition, complainants will be able to submit complaints 24 hours a day, seven days a week and receive electronic notification that their complaint has been received.

Estimate of Burden

Public reporting burden for this collection of information is estimated to average less than 30 minutes to complete the on-line complaint form, depending on the number of alleged barriers the complainant identifies.

There is no financial burden on the complainant. Use of the on-line form

should relieve much of the burden that the current practice of mailing paper complaints puts on complainants. The Access Board is not requiring all complaints to be submitted using the on-line complaint. The Access Board will continue to accept complaints submitted by email, mail, or fax.

Respondents

Individuals. Approximately 200 individuals file accessibility complaints with the Access Board each year.

Estimated Number of Responses

Assuming all complainants choose to file complaints using the on-line complaint form, approximately 200 individuals would use the on-line complaint form annually.

Frequency of Responses

Complainants need only submit one on-line form for each building or facility at which they have found accessibility barriers, regardless of the number of barriers they found. Most complainants file only one ABA complaint. Complainants will need to submit a separate form for each additional building or facility at which they have found an accessibility barrier.

Estimated Total Annual Burden on Respondents

Approximately 30 minutes per respondent total time is all that will be needed to complete the on-line complaint form, for a total of 100 hours annually.

Comments

Comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the estimated burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information from respondents; and (d) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

David M. Capozzi,

Executive Director.

Foreign-Trade Zones Board

[B-38-2013]

Foreign-Trade Zone 99—Wilmington, Delaware; Application for Expansion of Subzone 99E; Delaware City Refining Company LLC; New Castle County, Delaware

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the State of Delaware (grantee of FTZ 99), through the Delaware Economic Development Office, requesting the expansion of Subzone 99E, located at the facility of the Delaware City Refining Company, LLC in New Castle County, Delaware. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on April 25, 2013.

The grantee proposes to expand Subzone 99E to include an additional 147 acres and to remove 7.2 acres (new subzone total acreage = 1,940 acres). The subzone is located at 4550 Wrangle Hill Road in New Castle County. No authorization for additional production authority has been requested at this time.

In accordance with the FTZ Board's regulations, Kathleen Boyce of the FTZ Staff is designated examiner to review the application and make recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is June 11, 2013. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to June 26, 2013.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Kathleen Boyce at Kathleen.Boyce@trade.gov at (202) 482-1346.

Dated: April 26, 2013.

Andrew McGilvray,
Executive Secretary.

Foreign-Trade Zones Board

[B–39–2013]

Foreign-Trade Zone (FTZ) 265— Conroe, Texas; Notification of Proposed Production Activity; Bauer Manufacturing Inc.; (Foundation Casings and Tools/Accessories for Pile Drivers and Boring Machinery); Conroe, Texas

The City of Conroe, Texas, grantee of FTZ 265, submitted a notification of proposed production activity to the FTZ Board on behalf of Bauer Manufacturing Inc. (Bauer), located in Conroe, Texas. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on April 18, 2013.

The Bauer facility is located within Site 1 of FTZ 265. The facility is used for the production of foundation casings and tools and accessories for pile drivers and boring machinery. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Bauer from customs duty payments on the foreign status components used in export production. On its domestic sales, Bauer would be able to choose the duty rates during customs entry procedures that apply to foundation casings and tools and accessories for pile drivers and boring machinery (free, 2.9%, 5.0%) for the foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

Components and materials sourced from abroad include: plastic tubes/pipes/hoses, articles of rubber (joining bands, plates, sheets, strips, bands), paper sheets/dials/rolls, articles of steel (shapes; U, H and I beams; sections; sheets; fittings), and air compressors/pumps (duty rates range from free to 5.0%). The request indicates that all foreign steel products subject to an antidumping/countervailing duty (AD/CVD) order will be admitted to the zone in domestic (duty-paid) status (19 CFR § 146.43).

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is June 11, 2013.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230–0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Pierre Duy at Pierre.Duy@trade.gov or (202) 482–1378.

Dated: April 25, 2013.

Andrew McGilvray,
Executive Secretary.

DEPARTMENT OF COMMERCE

International Trade Administration

[A–533–847]

1-Hydroxyethylidene-1, 1- Diphosphonic Acid From India: Preliminary Results of Antidumping Duty Administrative Review; 2011— 2012; and Intent to Revoke Order (in Part)

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on 1-hydroxyethylidene-1, 1-diphosphonic acid (HEDP) from India. The period of review (POR) is April 1, 2011, through March 31, 2012. The review covers one producer and exporter of the subject merchandise, Aquapharm Chemicals Pvt., Ltd. (Aquapharm). We have preliminarily determined that sales of subject merchandise have not been made at prices below normal value by Aquapharm. In addition, we determine that Aquapharm qualifies for revocation and, thus, we preliminarily intend to revoke the antidumping duty order, in part, with respect to HEDP produced and exported by Aquapharm.

DATES: Effective May 2, 2013.

FOR FURTHER INFORMATION CONTACT: Brandon Custard or David Goldberger, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution

Avenue NW., Washington, DC, 20230; telephone (202) 482–1823 or (202) 482–4136, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise covered by this order includes all grades of aqueous, acidic (non-neutralized) concentrations of 1-hydroxyethylidene-1, 1-diphosphonic acid.¹ The product is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) at item numbers 2931.90.9043 and 2811.19.6090.² Although the HTS numbers are provided for convenience and customs purposes, the full written scope description, as published in the antidumping order³ and described in the memorandum entitled "Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review: 1-Hydroxyethylidene-1, 1-Diphosphonic Acid (HEDP) from India" (Preliminary Decision Memorandum), remains dispositive.

Methodology

The Department has conducted this review in accordance with Section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. To determine the appropriate comparison method, the Department applied a "differential pricing" analysis and has preliminarily determined to use the average-to-average method in making comparisons of export price or constructed export price and normal value for Aquapharm. We have also determined that Aquapharm qualifies for revocation from the order and, thus, we preliminarily intend to revoke the antidumping duty order, in part, with respect to HEDP produced and exported by Aquapharm.⁴ For a full description of the methodology underlying our conclusions, see Preliminary Decision Memorandum, which is hereby adopted by this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Import Administration's Antidumping and Countervailing Duty Centralized

¹ C₂H₅O₇P₂ or C(CH₃)(OH)(PO₃H₂)₂.

² We have revised the HTSUS item numbers for the merchandise subject to this order to reflect the current HTSUS schedule available on the International Trade Commission's Web site at <http://www.usitc.gov/tata/hts/bychapter/index.htm>.
